Fundamentals of Corporate Finance Robert Parrino, Thomas W. Bates, Stuart L. Gillan, David S. Kidwell, 2021-12-14
Fundamentals of Corporate Finance 5th Edition develops the key concepts of corporate finance with an intuitive approach while emphasizing computational skills This course helps students develop an intuitive understanding of key financial concepts and provides them with problem solving and decision making skills Using an intuitive approach students develop a richer understanding of corporate finance concepts while also enabling them to develop the critical judgments necessary to apply financial tools in real world decision making situations Corporate Finance 5e offers a level of rigor that is appropriate for both business and finance majors and yet presents the content in a manner that students find accessible *The Small Business Perseverance Guide* Manny Skevofilax, 2025-11-19 Small businesses are the largest contributors to net new jobs in America They drive innovation generate employment and promote community development in a constantly changing environment These vital enterprises fuel our economy and strengthen the social fabric of our communities Yet they often face steep challenges that test their fortitude flexibility and ultimately their perseverance For small business owners navigating the turbulent waters of entrepreneurship this book is a strategic guide It was written with the clear understanding that owning and growing a small business is not for the faint of heart Each day brings new hurdles whether it s adapting to shifting market trends managing unpredictable cash flow staying ahead of technology or weathering global disruptions like pandemics and economic downturns Through all of this the pressure to make the right decisions never lets up and the margin for error can be incredibly small This book is the result of the author s direct experiences working alongside small business owners across a wide range of industries It distills years of insight into the practical realities of running a business when the stakes are high and resources are limited The advice contained within is not theoretical it is grounded in real life situations and tailored to help small businesses survive adapt and thrive You ll find proven frameworks margin focused strategies and examples that illustrate the path from chaos to clarity At the heart of this guide is the belief that perseverance coupled with a strategic mindset can turn even the toughest challenges into stepping stones for growth It s about thinking critically making intentional choices and understanding the numbers behind your decisions Strategy isn t just for big corporations it s the key to small business resilience The small business journey is unpredictable but it is also incredibly rewarding This book will help you unlock that potential by teaching you how to strengthen your financial foundation identify margin opportunities build systems for scalability and lead with confidence Whether you re trying to stabilize your operations accelerate profitable growth or simply regain control of your business this book is here to serve as a roadmap Success in small business isn t just possible it s within reach Let s get to work [Bounce Back From Bankruptcy 5th Edition](#) Paula Langguth Ryan, 2025-09-02 For 25 years Bounce Back From Bankruptcy has remained the most popular book for rebuilding your finances and building a positive net worth whether you struggled with your decision to declare bankruptcy have sworn off credit or are back in debt

again Embrace this opportunity to build a foundation of financial security and use credit in ways that serve you and not your creditors From this day forward you can navigate the financial course of your life to create financial freedom and avoid the spiraling trap of debt In this fully revised and updated 5th Edition you will discover the immediate steps to raise your credit score instantly and create a specific workable plan to pay off any remaining debt set and meet your financial and life goals faster with credit savvy moves and avoid incurring debt or being strapped for cash get credit after bankruptcy the right way including strategies for selecting the best credit card car loan or home mortgage while also avoiding identity theft resolve current financial hardships with legal ethical and proven debt busting strategies put your money to work for you allowing you to thrive with or without credit building a stable foundation and creating financial breathing room The fast track focused on getting new credit as quickly as possible after bankruptcy isn't sustainable As I often say you can't eat your credit score Instead follow the path outlined in this book to permanently break the patterns that led to your bankruptcy These strategies have worked for me and countless others who have declared bankruptcy and are determined to create financial security and solvency Let them work for you

Inequality around the World Deric Shannon, 2025-02-06 A two volume set intended for readers interested in understanding the political and cultural underpinnings of socioeconomic inequality across the globe Inequality around the World examines key drivers and shapers of inequality at the local national and international level The two volume set includes 33 in depth chapters covering such issues as public and private healthcare environmental protection and pollution housing disability women's rights land policies antisemitism sexual orientation and gender diversity race and racism political representation and access to higher education Each chapter compares and contrasts conditions in major countries including the USA Russia India China and Germany as well as in wider regions like the Middle East West Africa Central America and Eastern Europe Scrupulously researched and wide ranging in coverage Inequality around the World provides an in depth survey of socioeconomic inequality in the 21st century in all its many forms
