English classes in Latin American countries underline the need for an instructional text such as this one *How to Teach English to Spanish Speakers* is a comprehensive introduction to teaching English to students with Spanish language backgrounds. Through valuable insights and personal experiences of working with different learning styles, predominant intelligences and different ways of building confidence, it discusses teaching and the learning process, classroom management and different ways to improve learners' listening, speaking, reading and writing skills. It also provides clear explanations as well as examples of class observations, lesson and unit plans, and offers reliable procedures, practical tips and activities for teaching Spanish speaking children, adolescents and adults from beginning to advanced language levels. Sugiere opciones pedagógicas prácticas mientras explora diversas metodologías de enseñanza, estrategias integrales y herramientas efectivas tanto para desarrollar como para aplicar el estilo propio de cada docente. También analiza las habilidades indispensables para ser un profesor de inglés eficiente y eficaz. El propósito crucial de este libro no es solamente analizar qué, quién, dónde y para qué enseñamos, sino sobre todo cómo podemos enseñar con más éxito.
