Herstand, 2019-11-05 Hailed as an indispensable guide Forbes How to Make It in the New Music Business returns in this extensively revised and expanded edition When How to Make It in the New Music Business hit shelves in 2016 it instantly became the go-to resource for musicians eager to make a living in a turbulent industry Widely adopted by music schools everywhere and considered the best how-to book of its kind Music Connection it inspired thousands to stop waiting around for that big break Now trusted as the leading expert for do-it-yourself artists Ari Herstand returns with this second edition maintaining that a stable career can be built by taking advantage of the many tools at our fingertips conquering social media mastering the art of merchandising embracing authentic fan connection and simply learning how to persevere

Comprehensively updated to include the latest online trends and developments it offers inspiring success stories across media such as Spotify and Instagram The result is a must-have for anyone hoping to navigate the increasingly complex yet advantageous landscape that is the modern music industry

How To Make It in the New Music Business: Practical Tips on Building a Loyal Following and Making a Living as a Musician Ari Herstand, 2016-12-20 Ari is at the front of the front He gets

it I've read a hundred how-to make it in the music biz books and this one is today's definitive comprehensive manual Jack Conte 150 million YouTube views Pomplamoose CEO of Patreon Forget everything you think you know about the odds of making it in the music industry Today odds mean nothing and success is not about lucky breaks It's about conquering social media mastering the art of merchandising and simply working harder and being smarter than everyone else We are living in the midst of an industry renaissance one that has left the record companies desperately struggling to maintain their prominence as a subculture of dedicated DIY do-it-yourself musicians have taken over These days talent is a given and

success has to be earned In 2008 Ari Herstand boldly turned in his green Starbucks apron to his manager determined to make a living off his craft as a singer songwriter Almost a decade later he has become a founding member of the new DIY movement and a self sustaining musician all without the help of a major label Now drawing from years of experience Herstand has written the definitive guide for other like minded artists the ones who want to forge their own path and not follow the traditional markers of success like record sales hits on the radio or the amount of your label advance Incredibly comprehensive and brutally honest throughout *How to Make It in the New Music Business* covers every facet of the new business including how to Build a grass roots fan base and understand the modern fan Book a profitable tour and tips for playing live such as opening vs headlining etiquette and putting on a memorable show Become popular on YouTube Spotify and SoundCloud Get songs placed in film and television Earn royalties you didn t know existed and reach your crowdfunding goals Musicians will not only be introduced to all the tools available today but will be shown how to effectively leverage them to actually make money More important they will develop the mindset to be aware of new advancements both online and in the real world and always stay in tune with a constantly evolving landscape There has never been a better time to be an independent musician Today fans can communicate with their idols by simply picking up their phones artists are able to produce studio worthy content from their basement and albums are funded not by record men but by generous engaged supporters As result *How to Make It in the New Music Business* is a must have guide for anyone hoping to navigate the increasingly complex yet advantageous landscape that is the modern music industry
