Evolution of the Modern Sports Fan Andrew C. Billings,Kenon A. Brown,2017-03-21 The concept of fandom has been revolutionized over the past 20 years because of various technological cultural and communicative advancements Evolution of the Modern Sports Fan Communicative Approaches explores the elements of the sports fan that have markedly changed since the turn of the century Inherent within these investigations is the role of communication in a multitude of forms mediated relational etc as the prototypical sports fan has most heavily shifted within this domain From the advent of social media to the rise of fantasy sport to the increased media platforms in which to consume sport the sports fan has never had more options for consumption and for the rendering of his her opinions This edited volume offers an opportunity to advance what we now know about American sports fandom as well as the ability to debunk what scholars thought they knew about sports fandom that has now shifted

Media Analytics C. Ann Hollifield,Amy Jo Coffey,2023-06-27 This textbook takes a case study approach to media and audience analytics Realizing the best way to understand analytics in the digital age is to practice it the authors have created a collection of cases using datasets that present real and hypothetical scenarios for students to work through Media Analytics introduces the key principles of media economics and management It outlines how to interpret and present results the principles of data visualization and storytelling and the basics of research design and sampling Although shifting technology makes measurement and analytics a dynamic space this book takes an evergreen conceptual approach reminding students to focus on the principles and foundations that will remain constant Aimed at upper level students in the fast growing area of media analytics in a cross platform world students using this text will learn how to find the stories in the data and how to present those stories in an engaging way to others Instructor and Student Resources include an Instructor s Manual discussion questions short exercises and links to additional resources They are available online at www.routledge.com/cw/hollifield
