Sony Vs Samsung Se-jin Chang, 2008-08-08 This book compares key strategic decisions by Sony and Samsung Electronics with respect to technology marketing and globalization from the mid 1990s to 2006 and then analyzes these firms' organizational process and top executives to examine the context of how those functional decisions were made.

Handbook of Racism, Xenophobia, and Populism Adebowale Akande, 2022-12-08 This handbook presents the roots of symbolic racism as partly in both anti black antagonism and non racial conservative attitudes and values representing a new form of racism independent of older racial and political attitudes. By doing so it homes in on certain historical incidents and episodes and presents a cogent analysis of anti black Jim Crowism anti people of color Black Latino Native Americans and prejudice that exists in the United States and around the world as a central tenet of racism. The book exposes the reader to the nature and practice of stereotyping negative bias social categorization modern forms of racism immigration law empowerment racialized incarceration and police brutality in the American heartland. It states that several centuries of white Americans' negative socializing culture marked by widespread negative attitudes toward African Americans are not eradicated and are still rife. Further the book provides a panoramic view of trends of racial discrimination and other negative and desperate challenges that Black Indigenous and People of Color face across the world. Finally the volume examines xenophobia racism prejudice and stereotyping in different contexts including topics such as Covid 19 religion and racism information manipulation and populism. The book therefore is a must read for students researchers and scholars of political science psychology history sociology communications media studies diplomatic studies and law in general as well as ethnic and racial studies American politics global affairs populism and discrimination in particular.
