Believe Jeremy Egner,2024-11-12 From The New York Times s Jeremy Egner the definitive book on Ted Lasso When Ted  
Lasso first aired in 2020 nobody including those who had worked on it knew how a show inspired by an ad centered around  
soccer filled mostly with unknown actors and led by a wondrously mustachioed nice guy would be received Eleven Emmys  
and one Peabody Award later it s safe to say that the show s status as a pop culture phenomenon is secure In Believe  
entertainment journalist and Ted Lasso fan Jeremy Egner traces the show s creation and legacy through the words of the  
people at its center Drawing on dozens of interviews from key cast creators and more Believe takes readers from the first  
silly NBC Premier League commercial to the pitch to Apple executives then into the show s writers room through the brilliant  
international casting and on to the unforgettable set and locations of the show itself Brimming with careful reporting and  
written to match the show s heart and humor Believe tells a story of teamwork of hidden talent of a group of friends looking  
around at the world s increasingly nasty discourse and deciding that maybe simple decency still has the power to bring us  
together a story about what happens when you dare to believe      *The Video Librarian* ,2006      *AV Guide* ,1998
