you're all set. Perfect as part of your emergency kit. In addition to the recipes, all of my low carb books provide appendices which explain how to successfully manage a low carb diet. Let me know if you have any questions or suggestions. I frequently update all my low carb books based on your recommendations. Thank you so much for sharing a part of your life's journey with me. I've followed a low carb lifestyle since June 2003. I have enjoyed every day of it. Low carb is not a diet of sacrifice. My meals are rich with delicious flavors. I am always full when I finish eating. Each day I enjoy my high energy levels. Daily meals are dense in flavor and nutrients: spinach salads, mushroom omelets, tuna melts, and devilled eggs as a delicious snack. For luxurious nights out, I can relish a meal of filet mignon with asparagus. I can even enjoy homemade ice cream with ripe raspberries for dessert. Once I cut excess sugars and starches out of my diet, I found I had far more energy to enjoy life with. The rich fiber foods have helped me sleep more soundly. The omega 3 oils keep my brain's creativity and efficiency at an all time high. I am very happy to answer any questions you might have about healthy eating.
