Making Money Work for Us L. Randall Wray, 2022-09-05 Is money precious and scarce necessitating iron fiscal discipline Must the government always balance the books or risk ruin Or is money in fact a flexible tool that can be used to mobilize our collective resources to serve those who need them In this book leading Modern Money Theory MMT advocate Randy Wray explains that the only real constraints on public policy are physical resources technological capacity and political will but never money He shows how modern sovereign governments spend by keystroking money to bank accounts While taxes serve other important purposes they do not contrary to popular belief fund spending If we recognize this and totally reframe how we think about money and debt we can marshal our national wealth to make us all richer eliminate unemployment and look after our own We can make money work for us the US This book s account shows how MMT can become a new American political and economic orthodoxy replacing the dominant conservative framework forever It is essential reading for all progressives
