**Television by Stream** Christina Adamou, Sotiris Petridis, 2023-05-22 Online television streaming has radically changed the ways in which programs are produced disseminated and watched While the market is largely globalized with some platforms streaming in multiple countries audiences are fragmented due to a large number of choices and often solitary viewing However streaming gives new life to old series and innovates conventions in genre narrative and characterization This edited collection is dedicated to the study of the streaming platforms and the future of television It includes a plethora of carefully organized and similarly structured chapters in order to provide in depth yet easily accessible readings of major changes in television Enriching a growing body of literature on the future of television essays thoroughly assess the effects new television media have on institutions audiences and content

### **Disney's Animated Classics**

Stephen Röttsch Thomas, 2025-12-30 Which Disney character is responsible for the most onscreen deaths What are the entry requirements for becoming a Disney Princess Why is Jiminy Cricket always breaking into people's homes In Disney's Animated Classics Stephen Röttsch Thomas explores the iconic features from the studio's first 100 years from Snow White to Wish A love letter to storytelling and collaboration each chapter takes readers behind the scenes of a different movie uncovering the hidden secrets creative geniuses and surprising connections that will enthral die hard Disney fans and casual viewers alike Disney's Animated Classics examines how the studio's films have shaped and been shaped by the world around them and how they have attempted to reflect a changing culture From the studio's representation of race and sexuality to its fluctuating creative fortunes through the decades Röttsch Thomas offers an unflinchingly funny history of one of the biggest icons in cinema His unauthorised deep dive is an irreverent but loving tribute to the films that have defined generations of childhoods Whether you're a self-proclaimed Disney Adult a film fan looking to learn about the animation behemoth or just someone trying to understand why Robin Hood was responsible for your sexual awakening there's something for you here

**It's 9AM - a massive collection** C Lowry, 2025-12-02 IT'S 9AM Every morning is a second chance Most people miss it Chris Lowry writes it down It's 9AM is a raw unfiltered quietly powerful collection of personal essays from the writer of the hit daily Substack by the same name stories about life resilience failure grit and the impossible business of becoming a better human without burning your entire life to the ground in the process If you've ever woken up wondering how to keep going If you've ever tried to reinvent yourself at the wrong age If you've ever fought your own doubts while chasing something bigger If you've ever felt like life is one long run where the finish line keeps moving This is your book Lowry doesn't hand out 10 Steps to Fix Your Life He hands you something better he's lived in truth The early mornings The setbacks The running trails The mistakes The tiny wins that matter more than we admit The lessons that arrive disguised as chaos And the moments where the world makes sense for just long enough to write them down These essays are sharp funny vulnerable and brutally honest a reminder that personal development isn't a mountaintop It's a daily lap A daily choice A daily reset It's a journey And it starts

every single morning at 9AM Whether you re here for the storytelling the soul searching or just a reason to keep swinging one more day It s 9AM gives you what you need most A spark A breath A nudge forward A reminder you re not alone

**Excellent Habits - a guide** Chris Lowry,2024-01-20 Habits and routines are often the key to achieving success in any area of life They help us to streamline our actions reduce decision fatigue and create a sense of structure and order in our lives By incorporating positive habits and routines into our daily lives we can create a solid foundation for success and build momentum towards our goals One of the most significant benefits of developing positive habits and routines is that they help to establish a sense of discipline and consistency When we have set times and behaviors for specific tasks we re more likely to follow through with them This consistency creates a sense of reliability and can help us to build trust with others as well as our own self confidence Another advantage of developing positive habits and routines is that they help to improve our productivity When we know what to expect and how to go about our daily tasks we waste less time and can accomplish more in less time By prioritizing our tasks and having a structured plan for how we approach them we can avoid the feeling of being overwhelmed and can focus on the most important tasks at hand Moreover positive habits and routines can also have a positive impact on our mental and physical health Engaging in healthy habits such as regular exercise meditation and a balanced diet can help us to manage stress increase our energy levels and improve our overall well being Incorporating regular breaks and time for self care into our routines can also help to prevent burnout and increase our resilience in the face of challenges Developing positive habits and routines requires discipline patience and a willingness to stick to a plan It may be challenging at first but with consistent effort it becomes easier over time Start by identifying the areas in your life that could benefit from positive habits and routines Create a plan for how you will incorporate these habits into your daily life and then commit to following through with that plan developing positive habits and routines can have a significant impact on our lives They can help us to establish discipline and consistency improve our productivity and promote our mental and physical health By incorporating positive habits and routines into our daily lives we can create a solid foundation for success and achieve our goals with greater ease *Harry Disney, ed.
