Retail Buying Jay Diamond, Gerald Pintel, 2005 This completely updated edition offers three new chapters that make this text an excellent resource for those entering the field of retail buying and merchandising The new chapters include Buying for Discount Operations A complete presentation on how professional purchasers for such companies as Target and Wal Mart plan their purchasing strategies and execute their buying plans Consumer Analysis The importance of the consumer in the

buyer's decision making process is discussed as well as the ways in which retail operations analyze customer demand. Wholesale Purchasing on the Internet. In addition to visiting the wholesale markets in the pursuit of new merchandise, many retail buyers are using the Internet as an additional means of product procurement. The concept of professional online purchasing is completely explored in this new chapter. Included with this text is a DVD containing a two-part production providing an onsite view of purchasing planning and buying. The video progresses from the stages of a buyer planning a purchase through the buyer visiting the wholesale market, featuring many of the stops he/she makes in finalizing his/her purchase. The footage for the DVD was created in various buyers' premises, including a New York City garment center, a residential buying office, showrooms, and other real-life settings.
