The Co-Parenting Method Marcie Shaoul, 2025-03-27 Separating from our other parent can be one of life's toughest challenges. When we separate with children, trying to navigate how to bring them up together becomes much harder. The separation process may become confrontational, and when children watch their parents fight or become pawns in that fight, the safe parental bubble they have lived in up to that point bursts. The Co-Parenting Method, based on the award-winning coaching methodology of The Co-Parent Way™, guides co-parents through their separation in a way that allows them to keep their children safe, whole, and protected. It gives co-parents the skills and knowledge they need to keep a safe parental bubble intact for their children, whatever they may feel about each other. Marcie is an excellent advocate for making co-parenting work; she brings the voice of the child, which can often be lost when parents are separating, to the forefront of the discussion. Tired of being shamed for valuing discipline while society glorifies self-destruction? Sick of doctors prioritizing body positivity over telling you the truth about diabetes, heart disease, and early death? Worried your sons will grow up in a world where toxic masculinity means any masculinity? Expose how fat liberation undermines personal accountability and medical science. Learn why progressive movements always escalate from tolerance to tyranny. Discover the evolutionary truth: Weak bodies breed weak civilizations. Debunk the health at every size myth with data. Leftists don't want you to see. Fight back against ideologies that replace heroes with victims. Reclaim masculinity as society's stabilizing force, not a punchline. Unmask the Frankfurt School's role in weaponizing pity to dismantle meritocracy. Protect your family from a culture that pathologizes strength and rewards failure. If you want to stop apologizing for excellence and defend the values that built civilization, buy this book today before they ban it.
