policies such as pre kindergarten in some states are only partial solutions and what exists varies tremendously in terms of access and quality To address these deficiencies the authors propose to overhaul the early care and education system beginning with a federal paid parental leave policy that provides both mothers and fathers with time and financial support after the birth of a child They also advance an expansion of the child care tax credit and a new child care assurance program that provides grant assistance towards the cost of high quality early care for low and moderate income families Their plan establishes universal high quality early education in the states starting by age three and a reform of the Head Start program that would include more intensive services for families living in areas of concentrated poverty and experiencing multiple adversities from the earliest point in these most disadvantaged children s lives They conclude with an implementation plan and contend that these reforms are attainable well within a ten year timeline Reducing educational and economic inequalities requires that all children have robust opportunities to learn and fully develop their capacities and have a fair shot at success Cradle to Kindergarten presents a blueprint for fulfilling this promise by expanding access to educational and financial resources at a critical stage of child development

to market     Digital Republic Jamie Susskind,2023-01-03 Wir haben die Kontrolle über die digitale Welt verloren. Die höchste Zeit das zu ändern. Es ist eine der wichtigsten Fragen unserer Zeit. Wie können wir im digitalen Zeitalter unsere Demokratie, unsere Freiheit und unsere Rechte vor den Geschäftsinteressen der Tech-Giganten schützen? Jamie Susskind ist die junge, kluge und überzeugende Stimme, die die Antworten hat. Noch vor kurzem galten Tech-Unternehmen als Heilsbringer und Zukunftshoffnung, ihre Webseiten und Apps als Mittel überall auf der Welt für mehr Demokratie zu sorgen. Das ist vorbei. Inzwischen fördern wir ihre Macht, sie beeinflussen Wahlen, verbreiten Fake News und zerstören das Leben von Menschen. Der Staat findet keine Mittel gegen sie. Wie kann es sein, dass solche Firmen über dem Gesetz stehen? Warum können wir ihnen nicht Einhalt gebieten? Jamie Susskind zeigt, welchen Einfluss AI, Big Data und Social Media auf Politik und Gesellschaft haben. Sein Buch ist ein fulminanter Aufruf und eine bahnbrechende Blaupause, wie wir die Macht zurückherlangen und die Tech-Firmen unter demokratische Kontrolle bringen können.

Productivity Planner Journal 8.5 X 1 Inches 150 Pages. How to Use this Extensive Goal Tracker notebook. The purpose of this productivity planner is to keep all your various school and life plans organized in one easy to find spot. Here are some simple guidelines to follow so you can make the most of using this book. Use the My Monthly Planner to keep track of your top priorities and top goals you want to achieve. This will make it easy for you to find those ideas later. The first Productivity Planner section is for you to write the Top 3 Tasks of your goals, most important tasks, and a place for notes and scribbles. Most ideas are inspired by something we have seen. Use the Project Planner section to write down the name of your project, information, and action plan so you can go back there to be reminded later. The My Work Hours Log section is for you to flush out those task details with date and hours completed. Some ideas require scheduling and listing them out. The My Project Progress is great for that. Some ideas need a little extra brainstorming. That's what the weekly calendar section is all about. Flip the page over, and this is where your trackable productivity begins here. Write down the action steps you need to complete your ideal goal plans and due dates for each project completed. The My Daily Productivity Planner section is so you can visually track your progress and be inspired to finish. The next series of prompts are for you to keep track of your My Weekly Plan so you can easily access it later. And finally, pages with BLANK lines for you to journal about your idea, brainstorm some more, and watch your goals and projects unfold. Have fun.
