### BE BRAVE LIKE A TURTLE

Turtles are fearless by nature and just like turtles, we can get in little adventures sometimes. In new surroundings, around new people and with big things, it takes some time for a turtle to feel ready enough to come out of its shell. At first, a turtle might feel scared and not it wants to retreat, but after a while it will find its courage. Just like a turtle, you can learn to feel safe and brave. You can be brave in your own way and you can be brave in your own way. You can be brave in your own way and you can be brave in your own way.
