**The Smart Money** Michael Konik, 2006-11-14 A riveting inside look at the lucrative world of professional high stakes sports betting by a journalist who lived a secret life as a key operative in the world's most successful sports gambling ring When journalist Michael Konik landed an interview with Rick Big Daddy Matthews the largest bet he'd placed on a sporting event was 200 Konik an expert blackjack and poker player was no stranger to Vegas But Matthews was in a different league the man was rumored to be the world's smartest sports bettor the mastermind behind the Brain Trust a shadowy group of gamblers known

for their expertise in beating the Vegas line Konik had heard the word on the street that Matthews was a snake a conniver who would do anything to gain an edge But he was also brilliant cunning and charming And when he asked Konik if he d like to make a little money during the football season the writer found himself seduced So began Michael Konik s wild ride as an operative of the elite Brain Trust In The Smart Money Konik takes readers behind the veil of secrecy shrouding the most successful sports betting operation in America bypassing the myths and the rumors going all the way to its innermost sanctum He reveals how they and he got rich by beating the Vegas lines and ultimately the multimillion dollar offshore betting circuit He details the excesses and the betrayals the horse trading and the paranoia that are the perks and perils of a lifestyle in which staking inordinate sums of money on the outcome of a single event sometimes as much as 1 million on a football game is a normal part of doing business

The Kids Got It Right Jim Dent,2013-08-20 New York Times bestselling author Jim Dent pens the compelling story of how a black and white player came together to break the color barrier in Texas football in 1965 Jerry LeVias and Bill Bradley bonded as friends at the Big 33 high school all star game producing a dramatic finish that fans still talk about Jim Dent takes the reader to the heart of Texas football with the incredible story of how two young men broke the chain of racism that had existed for more than half a century In 1965 black and white players barely mixed in Texas That summer Jerry LeVias and Bill Bradley came together at the Big 33 game in Hershey Pennsylvania When no one else would room with LeVias Bradley stepped forward The two became the closest of friends and the best of teammates LeVias called Bradley my blue eyed soul brother Big hearted gregarious and free spirited Bradley looked out for LeVias one of three black players on the team The Texas team came to Hershey with a mandate to win A year earlier Texas had lost to the Pennsylvania all stars 12 6 in the most significant defeat in the state s proud history This was considered blasphemy in a place where football outranked religion Texas coach Bobby Layne was mad as hell that he was forced to play with second stringers in 64 So he and assistant coach Doak Walker traveled to Austin and asked Texas governor John Connally to end the scheduling conflict with the in state all star game so he could suit up the best players Layne also sought permission to recruit black players After all Texas was flush with black stars some of whom would mature into the most notable players in the history of the National Football League Layne s scheme never would have worked without Bradley and LeVias Together and with Layne s indomitable will to win the two led their team proudly to face down the competition at Hershey Stadium The Kids Got It Right is a moving story reminiscent of Remember The Titans Jim Dent once again brings readers to cheers and tears with a truly American tale of leadership brotherhood and good ol Texas style football
