Phillips Phd,2008-10-13 After sixty years Dr Roy G Phillips retired founding campus president at Miami Dade College Homestead Campus returned to his native home in rural Webster Parish outside of Minden Louisiana It took him almost forty years to fulfill a dream a journey that began as a conversation with renowned author Alex Haley culminated with the collection of fascinating stories and then finished in a poignant book that tells the story of his ancestors in their trajectory from Africa to America When he retired in December 2001 Phillips turned to writing piecing together years worth of research The final product Exodus from the Door of No Return Journey of an American Family AuthorHouse was published in September 2006 and revised in October 2008 Phillips family saga mirrors the lives of what arguably could be the tale of most African Americans In the book family is the glue that binds Phillips ancestors from Slavery to Reconstruction Jim Crow Segregation the World Wars the Great Migration of black families out of the South the tumultuous civil rights period of the sixties to the present day Phillips might never have started on the journey of family discovery if it had not been for a chance meeting with Haley who had come to speak at the University of Michigan At that time Haley was in the midst of researching his book Roots and Phillips was completing his doctoral dissertation in urban secondary administration I spent half of the night talking to him about what to do he recalls He said Go and talk to the old folks in your family Get their stories Phillips painstaking tracked down the descendants of the plantation owners James Germany McDade II who owned his great grandfather and other relatives Phillips continues to meet and correspond with the McDades in Shreveport and East Texas He also underwent DNA testing which helped him track both his paternal ancestry to the Mbute people in the Central African Republic and his maternal ancestry to the Mende people in Sierra Leone West Africa **Thy Will Be Done** Alexander Isaacs,2013 How does one know the will of God For many people the will of God seems to be a neverending quest to uncover an illusive mystery But for Alexander Isaacs knowing the will of God is a way of life Born and raised in Guyana Alexander s early years were met with family tragedy and hardship Through hard work and determination he grew and thrived especially in the classroom Then when he learned about God through a Branch Sabbath School program his life changed But what next What should he do with his life What career should he pursue In what capacity should he serve God Did God have a plan for his life The questions of life were before him and he wisely sought God s guidance for his life Through prayer and fasting Alexander waited for God to reveal His will for his life And God did not let him down Time and time again Alexander has asked God for direction when faced with life decisions And time and time again God has led Alexander in the path he should go Be inspired Be motivated Be encouraged But above all learn how to exercise faith in God s leadings after reading the story
