Walmart Near Me Tutorial:

Walmart in China Anita Chan, 2011-11-15 Walmart and Made in China are practically synonymous Walmart imports some 70 percent of its merchandise from China Walmart is now also rapidly becoming a major retail presence there with close to two hundred Walmarts in more than a hundred Chinese cities What happens when the world's biggest retailer and the world's biggest country do business with each other In this book a group of thirteen experts from several disciplines examine the symbiotic but strained relationship between these giants The book shows how Walmart began cutting costs by bypassing its American suppliers and sourcing directly from Asia and how Walmart's sheer size has trumped all other multinationals in squeezing procurement prices and as a by product driving down Chinese workers wages China is also an inviting frontier for Walmart's global superstore expansion As China's middle class grows the chain's Western image and affordable goods have become popular Walmart's Arkansas headquarters exports to the Chinese stores a unique corporate culture and management ideology which oddly enough are reminiscent of Mao era Chinese techniques for promoting loyalty Three chapters separately detail the lives of a Walmart store manager a lower level store supervisor and a cashier Another chapter focuses on employees wages voluntary overtime and the stores strict labor discipline In 2006 the official Chinese trade union targeted Walmart which is antilabor in its home country and succeeded in setting up union branches in all the stores Walmart in China reveals the surprising outcome **"The Wal-Mart Way" Not Sam's Way** Julie Pierce, 2006 Among the merchandise files and customers at Walmart are the associates The people who greet the customers and keep the shelves stocked This book looks into the lives of the people this company will forever be connected to like it or not It tells of the beginning of the end of Walmart This is the warehouse the truck driver and the system keeping count of it all This is a written view from the inside It takes an in depth look at associates individual stores salaried management and the corporate offices of this company listed on tickers of the New York Stock Exchange as wmt For updated info go to www.walmartassociatescentral.com **Wal-Mart World** Stanley D. Brunn, 2006 Now that Wal Mart has conquered the US can it conquer the world As Wal Mart World shows the corporation is certainly trying For a number of years Wal Mart has been the largest company in the United States Now though it is the largest company in the world Its global labor practices and outsourcing strategies represent for many what contemporary economic globalization is all about But Wal Mart is not standing still and is opening up stores everywhere From Germany to Beijing to Mexico City to Tokyo more than a billion shoppers can now hunt for bargains at a Wal Mart superstore Wal Mart World is the first book to look at this incredibly important phenomenon in global perspective with chapters that range from its growth in the US and impact on labor relations here to its fortunes overseas How Wal Mart manages this transition in the near future will play a significant role in the determining the character of the global economy Wal MartWorld's impressively broad scope makes it necessary reading for anyone interested in the global impact of this economic colossus **Shame Nation** Sue Scheff, Melissa
