

ADORABLE CAT PAWS

These round and adorable cat paws have always been a favorite. Carved into the shape of cat paws, the white jade with drifting patterns adds an antique charm, making the overall design more elegant and full of traditional Chinese style. They are cute and healing – the plump cat paws seem to step right into your heart. With their charming cuteness, these little paws bring good luck wherever they “reach”.

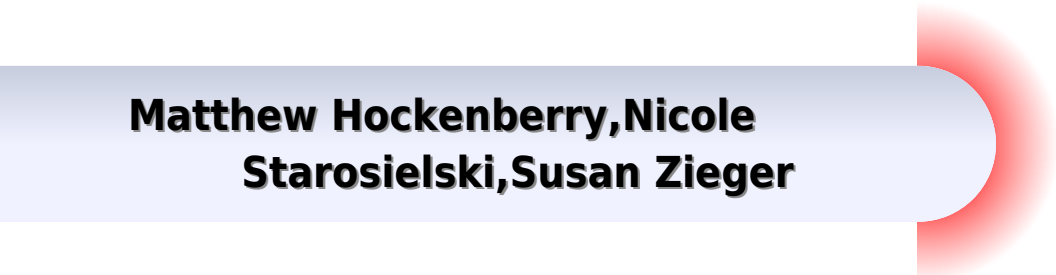

A little thing goes along, goes with it
