Consumer Debt Joseph C. Tardiff,2010 Editorial Reviews VOYA Laura Panter The Current Controversies series explores the social political and economic controversies that are plaguing world today Each chapter begins with a preface that offers background information on the topic at hand The chapters are organized around key questions that are answered by various authors with differing opinions The opinions of the authors of each article are those that could be found in our every day society Consumer Debt delves into the increasing burden of debt that middle class and lower income individuals are

accumulating through credit cards school loans and high house mortgages Expenses continue to increase as income levels remain stagnant or decrease For individuals of the Gen Xer age expenses are so high that saving for retirement for is for most unattainable Credit card companies hit users with high interest rates and hidden fees while other arguments counter that there are plenty of consumers who do not use credit at all This series is mainly designed for controlled research through information gleaned from periodicals newspapers books government documents and organizations however the drawback is that most information contained in these books is already over a year old More accurate information can be found through databases and online research This would be a good purchase for libraries if students needed older statistics to back up their position while writing a research paper Reviewer Laura Panter **Eve** ,2006 *CardSearch* ,1993 *Changing Times* ,1991 *Evergreen with Readings, Custom Publication* Fawcett,2006-11 **Fastread Personal Finance** Adams Media TBD,2001-06-01 As part of the popular Fastread series Fastread Personal Finance is a quick and easy guide to help master financial affairs This book is designed to offer a practical method to managing maintaining and increasing the money you have From budgeting to investing to preparing tax returns Fastread Personal Finance is perfect for those wishing to take command of their present and future financial status The book offers a guide on How to create calculate and maintain a personal budget The truth about credit cards and how to take advantage of their benefits while avoiding their traps How to defeat debt How to plan for long term financial security *Banking News* ,1985
