Markets of America Manuel Rosenberg, 1965 **One Last Shot** Mitchell Krugel, 2007-04-01 One Last Shot gives Jordan fans the inside scoop they're looking for on basketball's greatest legend with exclusive interviews from NBA executives, players and coaches. Mitchell Krugel uses his fifteen years of following Michael Jordan's every move to explain why the man who left the game as The Greatest Player of All Time would risk his unparalleled legend to play again. After delivering the Chicago Bulls their sixth championship in 1998 by pulling off what became known as the greatest money shot in the history of the NBA, Michael believed he still had much of that Greatest Player of All Time left in his game. But he felt that retirement was forced on him in 1999 and he left the game craving more doses of fifty-point binges, winner-take-all confrontations and repeated nights of reminding fans they just saw the greatest player ever. One Last Shot not only explains why Michael Jordan came back to the court but also looks at his transition from Wizards executive to player, his struggle to join a team that had grown up with his posters on their walls and his glories and setbacks in a Wizards season chock full of both struggles and surprises. Krugel also details the star-laden workouts Michael designed in the summer of 2001 to get his game back into shape. This look at Michael Jordan circa 2001-2002 shows how much basketball had changed since his last coming and how much it hadn't and how his drive pushed him to the verge of a crippling knee injury all in the pursuit of winning. And for six weeks he did make it back. He made the shots. He made good on his mission to try to teach the Wizards how to be winners, to teach talented teammate Richard Hamilton to be a shooting star and to whip Kwame Brown, the high school kid he made the first ever first pick in the NBA draft into a man. And he did the things that only a man of legend could do. Krugel analyzes both the man and the legend to trace how the First Coming led to a Second and to a Third and he chronicles the season that defines Michael Jordan as a man who will forever be playing for one last shot. *100 Seasons of Duke Basketball* Bill Brill, 2004 No college in America has dominated the basketball scene over the past 20 years like Duke. The Blue Devils have been to 10 Final Fours under Coach Mike Krzyzewski, winning the national championship three times. They played in five consecutive Final Fours and for four consecutive years finished the season ranked number one in the country. Duke won five consecutive Atlantic Coast Conference championships through 2003 and since 1986 the Blue Devils have had six national players of the year. No other school has had more than one. As Duke enters its 100th season of basketball, it will be the 25th year for Hall of Fame coach Krzyzewski. He has been honored 12 times as national Coach of the Year and is acknowledged as the top man in his profession. Duke has had numerous other famous basketball names, including coaches such as Vic Bubas and Eddie Cameron and All-Americans Dick Groat, Art Heyman and Jeff Mullins. The Blue Devils play in Cameron Indoor Stadium, which has become a basketball shrine. The vociferous student body, the Cameron Crazies, camp out before home games in a tent city they call Krzyzewski Ville. From the first game in 1906 through yet another Final Four appearance following the 2003-04 season, 100 Years of Duke Basketball provides fans with an insider's look at Duke basketball and the
