**Streaming Media and Cultural Memory in a Postdigital Society** Renira Rampazzo Gambarato, Johannes Heuman, 2024-12-31 This book offers a relevant contribution to the studies of streaming media and transmediality with an

original approach of cultural sustainability perfectly intertwined with cultural memory beyond borders By critically reflecting on popular streaming media series the book identifies their impact on the global circulation of cultural memory their learning potential for educational purposes and the societal challenges and opportunities that emerge from the ubiquitous streaming media penetration and potential for participatory practices It also investigates how series available worldwide on commercial platforms such as Netflix and Max contribute to the global circulation of cultural memories in addition to illuminating the ethical unsustainable and educational concerns involved in the fictionalization of the past Drawing on the authors expertise in media studies and history this transdisciplinary book will interest scholars in the fields of media studies cultural studies memory studies history transmedia studies education postdigital studies television studies social communication sociology and philosophy *F&S Index United States Annual* ,1999 The Routledge International Handbook of Children, Adolescents, and Media

Dafna Lemish,2022-05-30 This second thoroughly updated edition of The Routledge International Handbook of Children Adolescents and Media analyzes a broad range of complementary areas of study including children as media consumers children as active participants in media making and representations of children in the media The roles that media play in the lives of children and adolescents as well as their potential implications for their cognitive emotional social and behavioral development have attracted growing research attention in a variety of disciplines This handbook presents a collection that spans a variety of disciplines including developmental psychology media studies public health education feminist studies and the sociology of childhood Chapters provide a unique intellectual mapping of current knowledge exploring the relationship between children and media in local national and global contexts Divided into five parts each with an introduction explaining the themes and topics covered the Handbook features over 50 contributions from leading and upcoming academics from around the globe The revised and new chapters consider vital questions by analyzing texts audience and institutions including media and its effects on children s mental health children and the internet of toys media and digital inequalities news and citizenship in the aftermath of COVID 19 The Handbook s interdisciplinary approach and comprehensive current and international scope make it an authoritative state of the art guide to the field of children s media studies It will be indispensable for media scholars and professionals policy makers educators and parents **Current**
