The First Season Bob Duff, 2017-10-03 The National Hockey League is celebrating its hundredth anniversary in 2017 but Bob Duff's *The First Season* reveals how close the league came to folding in its very first year. Set against the turmoil of the Great War and born out of a ruse to rid the league of reviled Toronto owner Eddie Livingstone, the new league suffered from a series of crises from a shortfall of quality players due to military conscription to rival leagues and divided fan loyalties to the burning down of the Montreal Arena that was home ice to two teams. But despite all this, the league survived and became the worldwide standard for competitive hockey. With chapters devoted to the first ever NHL playoffs and Stanley Cup championships in addition to team and player profiles and vintage black and white photos, Duff's *The First Season* is essential reading for every hockey fan, providing real insight about the first generation of hockey heroes. **Hockey Card**

Price Guide James Beckett, 1994-11 **A Brain Tumor Changes Everything** Jan Woltmann, 2021-03-08 What would you do if an inoperable tumor occupied the brainstem of your young adult son? What would your next steps be? How would you begin to pray? In 2011, Jan Woltmann's twenty-one-year-old son Nate was diagnosed with brain cancer; the cancer was lethal, the situation tragic, and hope gone. Medical science did everything possible through aggressive radiation and the strongest chemotherapy to delay the tumor's advance, even as Jan and her husband slipped deeper into darkness and grief. The couple did all the things parents do in the wake of heartbreak: they wept, ached, prayed, and planned for the worst loss imaginable. This is a story about suffering that sets a place for you at the kitchen table around the Christmas tree and inside the waiting rooms at CancerCare. This is a story for old souls, those for whom life has ripened either suddenly or over time, and who find themselves in search of life's mystery and meaning in the midst of sorrow. Following a compelling medical narrative and textured by contemplative Christian thinkers, *A Brain Tumor Changes Everything* speaks the language of grief, seeks the presence of mercy, and finds the surprise of God. *Bob Breitbard: San Diego's Sports Keeper* Dan Fulop, 2012-06-30

Bob Breitbard, *San Diego's Sports Keeper*, chronicles the life and accomplishments of a visionary sportsman and great San Diego icon. An all-star in San Diego's sports lineup for more than half a century, Breitbard was involved in the local sports scene as a player, coach, team owner, builder, booster, and benefactor of institutions and organizations that helped make San Diego a major league city. Breitbard followed his football playing and coaching days at Hoover High School and San Diego State College by becoming the guardian and promoter of the city's sports scene. In 1946, he founded the Breitbard Athletic Association to honor local high school amateur and professional athletes and later established the Breitbard Hall of Fame. The Foundation developed into the San Diego Hall of Champions, which today is the nation's largest multi-sport museum and a shrine to honor local high school amateur and professional sports stars, hometown heroes of the past, present, and future. Breitbard was the driving force behind the building of the San Diego Sports Arena and the owner of its original tenant, the Gulls of the Western Hockey League, and the expansion NBA Rockets. Breitbard was also one of the founding members of the

Greater San Diego Sports Association a group that helped build San Diego Stadium bring the Chargers and major league Padres to town establish and support the Holiday Bowl and other first class sports events and facilities Much more than just a uniquely dedicated caretaker of San Diegos sports the kind and generous Breitbard was a local treasure that helped make San Diego the wonderful city it is today
