Promotional Feats Eric J.

Soares, 1991-08-30 In this volume Eric Soares offers a lively and comprehensive treatment of promotional feats publicity efforts that generate positive and extensive media exposure and thereby enhance sales Arguing that promotional feats are one of the most powerful yet underused tools available to the marketing manager Soares shows how they can have a dramatic impact on consumer behavior if they are developed and executed carefully The types of feats described and illustrated include advertisements sales promotions publicity stunts sales activities displays or unusual product characteristics The common denominator Soares demonstrates is that each feat must be newsworthy enough to cause media attention which is then instrumental in affecting consumers attitudes intentions and buying behavior Numerous examples of successful consumer based promotion activities are included The book begins by examining historical feats of publicity and promotion undertaken by military strategists adventurers and others Soares explains how each incident was conceived and carried out and illuminates its applications to business The bulk of the volume explores business promotional feats and their underlying market strategies Separate chapters are devoted to media events product features outrageous advertisements promotion gimmicks and company icons The final chapter reviews the process of conceptualizing designing and

implementing a promotional feat An indispensable resource for marketing and sales promotion managers Promotional Feats will also be essential reading for anyone aspiring to a career in these fields **Advertising in Poland and Germany - A**

Comparison Sotirios Dramalis, 2006-07-17 Research Paper undergraduate from the year 2005 in the subject Business economics Offline Marketing and Online Marketing grade 1 8 University of Cooperative Education Mannheim Berufsakademie Mannheim Staatliche Studienakademie course International Marketing language English abstract Both number of advertisers and expenses for advertising have rapidly increased in Poland in the last years From 1993 to 1994 advertising expenses grew from 299 to 469 million dollars Continuous economical reforms and expenditure further contributed to this growth Consequently the case of Poland provides an ideal opportunity to study the impact an economy's stage of development has on advertising management West Paliwoda 1996 p 82 Poland also offers huge potentials for its neighbouring countries which is especially true for Germany From a German perspective it is eminently important to understand the differences between the German and the Polish culture as culture has a major impact on advertising and communication The above justifies and is reason enough to have a deeper look at the Polish advertising market with reference to Germany Therefore these issues will be dealt within the following study paper It starts with theoretical background information on advertising and then continues with a secondary statistical analysis of major advertisement conditions in the Polish and German markets This involves comparing the legal framework and general infrastructure advertising agencies media for advertising in the two countries Furthermore the attitudes of Poles and Germans towards advertisement will be explained as well as the influence the Polish and German cultures have on advertising appeals The comparison concludes with an outlook on the further development of the advertising markets in Germany and Poland by stating potential similarities and differences Recommended Promotions to the Ranks of Professor and Associate Professor University of Michigan.
