Headlines That Matter Kavita Chandran, Saldene Lyte, 2025-08-01 An in depth exploration of how breaking news affects investor sentiments and trader decisions and ultimately the stock market Glued to their screens for news alerts financial traders must quickly decipher which ones are most reliable in order to make effective trading decisions Journalists know that the headlines they craft must instantly grab the attention of a trader This book focuses on the relatively unknown Headlines desk in newswire services where journalists type breaking news for subscribers and the public Drawing on their experiences as former Bloomberg headline writers Chandran and Lyte reveal the processes of these teams that deftly link the two sides of news information and interpretation The insights this book offers will benefit students of both business journalism and finance as well as CEOs corporate communications directors wealth managers investors and traders You're Kind of a Big Deal: Level Up by Unlocking Your Audacity Erin King, 2021-06-01 Unlock your inner audacity and become the leader you were born to be Women are often told that dreaming bigger and exuding confidence is the key to achieving professional success While big dreams and confidence might get you started they won't fuel you throughout the marathon and over the finish line In order to keep going through thick and thin you need audacity You're Kind of a Big Deal provides the strategies tools and inspiration you need to power up your potential break free from limiting beliefs and make your biggest dreams a reality International keynote speaker and successful entrepreneur Erin King helps you step into the role of CEO of your own life and better execute your responses to challenging feedback from the world around you so you can Move through any and all obstacles between you and your goals Be more present honest and authentic in your professional and personal life Increase your energy to take on the toughest challenges Develop greater clarity on your place and purpose in life Handle social settings and meet new people with a new sense of confidence Drop the automatic negative thoughts and stay positive even in the face of adversity You're Kind of a Big Deal dares you to listen more closely to your intuition when it comes to pulling the trigger on big courageous business decisions even if those decisions might initially shock those in your orbit Get ready to finally break through all barriers standing between you and the goals you were born to absolutely crush because the fact is You're Kind of a Big Deal **Producing Precarity** Curtis Marez, 2025-08-26 The hidden cost of TV production for communities of color Producing Precarity is a long overdue examination of the television industry's practice of offshoring production to impoverished sites within the US The author Curtis Marez focuses on state efforts to attract film and TV producers to poor places with tax incentives discounted public lands and subsidized infrastructures He argues that these efforts result in the redistribution of wealth from poor people of color Indigenous people and other taxpayers to Los Angeles based media makers while also diverting money that could be used for education and health care to the wealthy The popular series produced in these places such as Breaking Bad The Watchmen Lovecraft County The Walking Dead and Vida are praised by critics and awards organizations and highlighted by streaming services for challenging genre casting and

narrative conventions However many of these shows rely on racialized and gendered low wage labor for production and diversity equity and inclusion representations can sometimes perpetuate repression such as depicting police as diversity champions Producing Precarity examines how contemporary streaming shows from these areas promote racial inequality in ideology and content as well as materially through their local production methods and perceptually through streaming distribution modes that discourage viewers from understanding how TV is made Marez also provides examples of local resistance including movements against a police training center and a film studio in Atlanta as well as anti gentrification movements in Latinx neighborhoods of LA

American Comics Jeremy Dauber, 2021-11-16 The sweeping story of cartoons comic strips and graphic novels and their hold on the American imagination Comics have conquered America From our multiplexes where Marvel and DC movies reign supreme to our television screens where comics based shows like The Walking Dead have become among the most popular in cable history to convention halls best seller lists Pulitzer Prize winning titles and MacArthur Fellowship recipients comics shape American culture in ways high and low superficial and deeply profound In *American Comics* Columbia professor Jeremy Dauber takes readers through their incredible but little known history starting with the Civil War and cartoonist Thomas Nast creator of the lasting and iconic images of Uncle Sam and Santa Claus the golden age of newspaper comic strips and the first great superhero boom the moral panic of the Eisenhower era the Marvel Comics revolution and the underground comix movement of the 1960s and 70s and finally into the twenty first century taking in the grim and gritty Dark Knights and Watchmen alongside the brilliant rise of the graphic novel by acclaimed practitioners like Art Spiegelman and Alison Bechdel Dauber s story shows not only how comics have changed over the decades but how American politics and culture have changed them Throughout he describes the origins of beloved comics champions neglected masterpieces and argues that we can understand how America sees itself through whose stories comics tell Striking and revelatory *American Comics* is a rich chronicle of the last 150 years of American history through the lens of its comic strips political cartoons superheroes graphic novels and more
