Words of Weedsdom Cee D, 2022-12-14 I had become the princess and the pea feeling even the smallest sensations and everything seemed to slow down around me. I was aware of everything and every sound, smell, and movement triggered my consciousness like a factory hard wired for efficiency. I was detached from reality yet still in possession of my every thought and movement. This is what it was to be high. As an introverted millennial growing up in the nineties, being a child of divorce and mental illness made Cee D believe that self-neglect and isolation would keep her family together. Pursuing a nursing career which continued to focus on others at her own expense, she sought psychedelic distraction from a disappointing adulthood and turned to drugs. Discovering newfound wisdom or weedsdom through a sect of spirituality that she lovingly refers to as Bud Dism, the author demonstrates how psychoactive substances, particularly cannabis, may shed light on our traumas and can be used as a tool for self-actualization and the pursuit of individual happiness. Narrated with the perfect mix of humorous anecdotes and reflective wonder, *Words of Weedsdom* combines Cee D's life-changing introduction into cannabis culture with a wider commentary on the drug, including its history as well as its effects on the mind and body. Whether you are a cannabis user, cannabis curious, or a cannabis critic, this candid and light-hearted memoir addresses stigmatization surrounding the plant and challenges the stereotypical image of stoners portrayed in popular media.
