Apocalypse Against Empire Anatheia Portier-Young, 2014-01-09 The year 167 B C E marked the beginning of a period of intense persecution for the people of Judea as Seleucid emperor Antiochus IV Epiphanes attempted forcibly and brutally to eradicate traditional Jewish religious practices In *Apocalypse against Empire* Anatheia Portier Young reconstructs the historical events and key players in this traumatic episode in Jewish history and provides a sophisticated treatment of resistance in early Judaism Building on a solid contextual foundation Portier Young argues that the first Jewish apocalypses emerged as a literature of resistance to Hellenistic imperial rule In particular Portier Young contends the book of Daniel the *Apocalypse of Weeks* and the *Book of Dreams* were written to supply an oppressed people with a potent antidote to the destructive propaganda of the empire renewing their faith in the God of the covenant and answering state terror with radical visions of hope

A Working-Class Family Ages Badly Juno Roche, 2022-07-21

Delicate and devastating Up there with the best of them HANNAH LOWE WINNER OF THE COSTA PRIZE Roche is a charming unflinchingly honest guide on a journey that s as funny as it is heart breaking JUNO DAWSON How does an untrained eye recognise the process of dying when your mind is fixed firmly on living A radically honest and uplifting memoir about defying death and learning to live Juno Roche was born into a working class family in London in the sixties who dabbled in minor crime For their father violence and love lived together for their mother addiction was the only way to survive School was a respite but shortly after beginning their university course Juno was diagnosed with HIV then a death sentence Juno is a survivor they outlived their diagnosis got a degree and became an artist But however hard you try to take the kid out of the family some scars go too deep trying to run from AIDS and their childhood threw Juno into dark years of serious drug addiction addiction often financed by sex work Running from home eventually took Juno across the sea to a tiny village in Spain surrounded by mountains Only once they found a quiet little house with an olive tree in the garden did Juno start to wonder if they had run too far and whether they have really been searching for a family all along In an incredibly honest and brave book Juno takes us through the moments of their life Mum sending Christmas cards containing Valium drug withdrawal on a River Nile cruise overcoming their father s violence and finding their dream house in Spain Showing

immense resilience Juno's memoir is a book about what it means to stay alive Emotional tragic and incredibly funny Roam is an unforgettable must read memoir for anyone who loves Educated Deborah Levy and Motherwell Full of heart wit and charm I'm obsessed with this book Travis Alabanza So gripping I had to make myself slow down to appreciate the quality of the writing Such a powerful story and so beautifully written Paul Burstyn Utterly unique Nobody can write with warmth and confrontation the way Juno can Tom Rasmussen Compassionate dreamlike and deeply moving CN Lester Should be read by everyone Irenosen Okojie Juno has always been a literary voice like no one else scathingly honest and endlessly expansive Amelia Abraham
