**The Theaetetus of Plato** Plato, Lewis Campbell, 1883 *Hypomnemata*, 1999 *Writings of Plato* Plato, 2016-07-04 The *Writings of Plato* offer the continued discourses of Socrates up until the willing drinking of poison for a death sentence passed down onto him All three works in this volume continue the philosophical ideas started in the *Republic* as the great philosopher is challenged and praised by contemporaries around him Finally he offers comfort for those that looked up to him before he ultimately is executed *Plato: Complete Works* Plato, 1997-05-01 Outstanding translations by leading contemporary scholars many commissioned especially for this volume are presented here in the first single edition to include the entire surviving corpus of works attributed to Plato in antiquity In his introductory essay John Cooper explains the presentation of these works discusses questions concerning the chronology of their composition comments on the dialogue form in which Plato wrote and offers guidance on approaching the reading and study of Plato's works Also included are concise introductions by Cooper and Hutchinson to each translation meticulous annotation designed to serve both scholar and general reader and a comprehensive index This handsome volume offers fine paper and a high quality Smyth sewn cloth binding in a sturdy elegant edition

**Plato's Sophist** James Duerlinger, 2005 This translation of Plato's *Sophist* conveys the peculiar nature of the doctrines expressed in the Greek text and it includes an introduction that attempts without recourse to contemporary technical philosophical ideas to explain these doctrines from the perspective of how Plato's philosophy was understood by Aristotle and the ancient Platonists For this reason the book is especially suitable for use in undergraduate courses on Plato and in introductory courses on the history of ancient philosophy

*Plato's Sophist, Or, The Professor of Wisdom* Plato, Eva Brann, 1996 Socrates and others discuss the epistemological and metaphysical puzzles of Parmenides presenting a new conception of the Theory of Forms with aims to define the meaning of the *Sophist* English translation with notes and introductory essay *Plato's Dialogues* Gerald A. Press, 1993-07-09 Plato's dialogues have not only provided the necessary dosage of sunlight required to help cultivate the various subfields of the discipline but they have also given neophytes their first opportunity to study philosophy

Typically upon commencing their post secondary career in the academy the average student will likely not have been exposed to any philosophical ideas doctrines or concepts let alone the primary works contained in the Corpus Platonicum However after reading a Platonic dialogue for the first time the archetypal student seems to be struck by its suspicious simplicity Gerald Press reports that it is within this perceived approachability that novice readers experience the most confusion An overall cause of reader perplexity about Plato is the contrast between what appears on the surface and what seems to exist but obscurely beneath the surface <sup>1</sup> It is from this observation that Press begins his discussion on the causes of confusion in the Platonic dialogues Review from <http://www.csc.org> April 10 2012
