**The Clarinet** ,2003     [The Duke's Secluded Bride \(a gothic Regency Romance\)](#) Ruth Ann Nordin, 2020-04-27 Most gentlemen wait to get married because they want time to enjoy being a bachelor before taking on the responsibilities of a married gentleman Baldwin Darby the Duke of Edmondstone isn t one of them The life of a rogue never appealed to him He s wanted nothing more than to fall in love and live a quiet and uneventful life ever since he could remember It wasn t by choice that he hasn t married yet He s just not very comfortable around ladies which makes the marriage mart difficult for him So when his acquaintance mentions a sister at his country estate who is ready for marriage he jumps at the chance for an arranged marriage He s been told she is extremely shy and that it takes her time to open up around strangers so he might find her a bit strange when he initially meets her But this doesn t bother him He s a patient gentleman and can give her time to get used to him What he doesn t count on however is just how strange everything is when he gets to the country estate She refuses to leave her section of the manor she has to go to bed before it s dark and she has an unusual fascination for monsters Despite all of that she is beautiful and possesses a sweet temperament He wishes he could figure out a way to help her embrace a normal life If he keeps pressing for her to have a normal life he just might get his wish But nothing will prepare him for the truth This is loosely based off the Rapunzel fairy tale
