Plato Euthyphro:

Leo Strauss on Plato's Euthyphro Hannes Kerber, Svetozar Y. Minkov, 2024-04-04 Leo Strauss famously asserted that the fundamental defining debate within Western civilization is that between Jerusalem and Athens piety and philosophy the Bible and Plato And yet surprisingly Strauss never published any of his thoughts on Plato's dialogue on piety the Euthyphro This volume presents for the first time Strauss's 1948 notebook on the dialogue written in preparation for a class at the New School for Social Research Featuring close analysis and line by line commentary the notebook opens a window onto a philosophic mind in action as Strauss asks questions of the classic text jots down observations and formulations and analyzes very specific terms and arguments but also steps back reviews the overall movement of the dialogue and reconsiders previous conclusions Beyond the notebook the volume also brings together all the known materials that lay out Strauss's thoughts on the Euthyphro This includes newly transcribed and edited public lectures illuminating appendixes critical essays by volume editors Hannes Kerber and Svetozar Y Minkov and scholar Wayne Ambler an account of Strauss's public lecture and a new English translation of Plato's Euthyphro by Seth Benardete a classicist and one of Strauss's students Engaging and inspiring Leo Strauss on Plato's Euthyphro is a vital resource for scholars and students of political theory readers interested in the intersection of philosophy and religion and a must have for anyone who studies Strauss

Allen, 2012-11-12 Plato's Euthyphro is important because it gives an excellent example of Socratic dialogue in operation and of the connection of that dialectic with Plato's earlier theory of Forms Professor Allen's edition of the dialogue provides a translation with interspersed commentary aimed both at helping the reader who does not have Greek and also elucidating the discussion of the earlier Theory of Forms which follows The author argues that there is a theory of Forms in the Euthyphro and in other early Platonic dialogues and that this theory is the foundation of Socratic dialogue However he maintains that the theory in the early dialogues is a realist theory of universals and this theory is not to be identified with the theory of Forms found in the Phaedo Republic and other middle dialogues since it differs on the issues of ontological status

Anytus had parted from Socrates with the significant words That in any city and particularly in the city of Athens it is easier to do men harm than to do them good and Socrates was anticipating another opportunity of talking with him In the Euthyphro Socrates is awaiting his trial for impiety But before the trial begins Plato would like to put the world on their trial and convince them of ignorance in that very matter touching which Socrates is accused An incident which may perhaps really have occurred in the family of Euthyphro a learned Athenian diviner and soothsayer furnishes the occasion of the discussion This Euthyphro and Socrates are represented as meeting in the porch of the King Archon Compare Theaet Both have legal business in hand Socrates is defendant in a suit for impiety which Meletus has brought against him it is remarked by the way that he is not a likely man himself to have brought a suit against another and Euthyphro too is plaintiff in an action for murder which he has brought against his own father The latter has originated in the following manner A poor dependant of the family had slain one of their domestic slaves in Naxos The guilty person was bound and thrown into a ditch by the command of Euthyphro s father who sent to the interpreters of religion at Athens to ask what should be done with him Before the messenger came back the criminal had died from hunger and exposure *The Journal of Education* ,1898 British Museum Catalogue of printed Books ,1896 Jahresbericht über die Fortschritte der klassischen Altertumswissenschaft Conrad Bursian,Iwan von Müller,Oskar Seyffert,Paul Wendland,Ludwig Gurlitt,Wilhelm Kroll,Alfred Körte,Karl Münscher,1909 **The academy** ,1898 Jahresbericht über die Fortschritte der klassischen Altertumswissenschaft ,1910 Holiness and Justice Laszlo Versenyi,1982-03-10 Offers a novel interpretation of Plato s Euthyphro and attempts to show the historical as well as abiding philosophical importance of one of his earliest dialogues Argues that the Euthyphro is one of Plato s most successful dialogues
