ON SOCRATES AND THE
MODERN MIND

EDITED BY
MARK KREMER

Platos Cleitophon On Socrates And The Modern Mind

**Jacob Gould Schurman, James Edwin
Creighton, Frank Thilly, Gustavus Watts
Cunningham**

Platos Cleitophon On Socrates And The Modern Mind:

Plato's Cleitophon Mark Kremer, 2004-04-23 It had been thought that the Cleitophon was a spurious dialogue Its brevity and the fact that Socrates does not respond to accusations from Cleitophon suggested to scholars that it was only a fragment However in the last fifteen years the complete and authentic dialogue was rediscovered Upon its discovery scholars have almost universally agreed that the Cleitophon is the introduction to Plato's Republic In Plato's Cleitophon On Socrates and the Modern Mind editor translator and author Mark Kremer has mined some of the best scholarship on the relationship of Plato's Cleitophon and its relationship to modern thought It is the contention of the editor that the Cleitophon is an ancient example of the psychic social cultural and moral strain that is put upon the citizens of a republic when their society begins to erode on all fronts This work has the potential to afford readers an ancient perspective on ourselves by showing us how we appear in Plato's mind It should be read by anyone who has ever read Plato's Republic as well as anyone who is concerned about the social psychic cultural and moral effects of postmodernity and globalization

Plato's Cleitophon Mark Kremer, 2004-04-23 It had been thought that the Cleitophon was a spurious dialogue Its brevity and the fact that Socrates does not respond to accusations from Cleitophon suggested to scholars that it was only a fragment However in the last fifteen years the complete and authentic dialogue was rediscovered Upon its discovery scholars have almost universally agreed that the Cleitophon is the introduction to Plato's Republic In Plato's Cleitophon On Socrates and the Modern Mind editor translator and author Mark Kremer has mined some of the best scholarship on the relationship of Plato's Cleitophon and its relationship to modern thought It is the contention of the editor that the Cleitophon is an ancient example of the psychic social cultural and moral strain that is put upon the citizens of a republic when their society begins to erode on all fronts This work has the potential to afford readers an ancient perspective on ourselves by showing us how we appear in Plato's mind It should be read by anyone who has ever read Plato's Republic as well as anyone who is concerned about the social psychic cultural and moral effects of postmodernity and globalization

The Nature of Political Philosophy James V. Schall, 2022-10-02 In his final collection of essays Father Schall explores the life of faith across a dazzling array of subjects from Martin Luther to bioethics With his characteristic patience brilliance and careful tenacity Father Schall interrogates profoundly what it means to try to be a citizen of the Kingdom of God in the city of Man Never shying away from controversy across 14 articles and 4 book reviews Father Schall investigates the critical themes of his life and scholarship reason and revelation the nature of modernity literature and salvation metaphysics and politics and much more Whether the reader is new to Father Schall or a longtime student this posthumously published collection of essays offers a profound meditation on the nature of political philosophy and particularly what it would mean for Catholicism to offer a political philosophy From such fundamental considerations Schall explores ethical literary and legal themes displaying his typical breadth and depth of engagement with all that is real Ultimately Father Schall leads one on a Socratic enterprise an education whereby one comes to question for oneself basic

assumptions and to dig deeper into the first principles as they are recalled in the orders of knowledge and being While Father Schall has passed on to his reward this collection of essays helps ensure that his lessons continue to guide challenge and enrich students for generations to come *The Political Theory of Aristophanes* Jeremy J. Mhire, Bryan-Paul Frost, 2014-04-09 This original and wide ranging collection of essays offers for the first time a comprehensive examination of the political dimensions of that madcap comic poet Aristophanes Rejecting the claim that Aristophanes is little more than a mere comedian the contributors to this fascinating volume demonstrate that Aristophanes deserves to be placed in the ranks of the greatest Greek political thinkers As these essays reveal all of Aristophanes plays treat issues of fundamental political importance from war and peace poverty and wealth the relation between the sexes demagoguery and democracy to the role of philosophy and poetry in political society Accessible to students as well as scholars *The Political Theory of Aristophanes* can be utilized easily in the classroom but at the same time serve as a valuable source for those conducting more advanced research Whether the field is political philosophy classical studies history or literary criticism this work will make it necessary to reconceptualize how we understand this great Athenian poet and force us to recognize the political ramifications and underpinnings of his uproarious comedies *Plato the Teacher* William H. F. Altman, 2012-02-16 In this unique and important book William Altman shines a light on the pedagogical technique of the playful Plato especially his ability to create living discourses that directly address the student Reviving an ancient concern with reconstructing the order in which Plato intended his dialogues to be taught as opposed to determining the order in which he wrote them Altman breaks with traditional methods by reading Plato's dialogues as a multiplex but coherent curriculum in which the Allegory of the Cave occupies the central place His reading of Plato's Republic challenges the true philosopher to choose the life of justice exemplified by Socrates and Cicero by going back down into the Cave of political life for the sake of the greater Good

Ascent to the Good William H. F. Altman, 2018-11-29 At the crisis of his Republic Plato asks us to imagine what could possibly motivate a philosopher to return to the Cave voluntarily for the benefit of others and at the expense of her own personal happiness This book shows how Plato has prepared us his students to recognize that the sun like Idea of the Good is an infinitely greater object of serious philosophical concern than what is merely good for me and thus why neither Plato nor his Socrates are eudaemonists as Aristotle unquestionably was With the transcendent Idea of Beauty having been made manifest through Socrates and Diotima the dialogues between Symposium and Republic Lysis Euthydemus Laches Charmides Gorgias Theages Meno and Cleitophon prepare the reader to make the final leap into Platonism a soul stirring idealism that presupposes the student's inborn awareness that there is nothing just noble or beautiful about maximizing one's own good While perfectly capable of making the majority of his readers believe that he endorses the harmless claim that it is advantageous to be just and thus that we will always fare well by doing well Plato trains his best students to recognize the deliberate fallacies and shortcuts that underwrite these claims and thus to look beyond their own happiness by the time they

reach the Allegory of the Cave the culmination of a carefully prepared Ascent to the Good *The Classical Review* ,2005
Polis, the Journal for Ancient Greek Political Thought ,2005 **Die Philosophie der Antike: Pt. 1. Sophistik, Sokrates, Sokratik, Mathematik, Medizin** ,2007 Die Philosophie der Antike: Platon Michael Erler,1983 Uncivil Society Richard Boyd,2004 Civil society is one of the most hotly debated topics in contemporary political theory These debates often assume that a vibrant associational life between individual and state is essential for maintaining liberal democratic institutions In Uncivil Society Richard Boyd argues through a careful reading of such seminal figures as Hobbes Locke Burke Mill Tocqueville and Oakeshott that contemporary theorists have not only tended to ignore the question of which sorts of groups ought to count as civil society but they have also unduly discounted the ambivalence of violent and illiberal groups in a liberal democracy Boyd seeks to correct this conceptual confusion by offering us a better moral taxonomy of the virtue of civility *Proceedings and Addresses of the American Philosophical Association* American Philosophical Association,2004 List of members in v 1 Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur ,2004
American Book Publishing Record ,2004 *Humanistische Gymnasium* ,2004 *The Philosophical Review* Jacob Gould Schurman,James Edwin Creighton, Frank Thilly,Gustavus Watts Cunningham,2004 **The Dialogues of Plato** Plato,1875 The popular encyclopedia; or, 'Conversations Lexicon': [ed. by A. Whitelaw from the Encyclopedia Americana]. Charles Annandale,1890 The popular encyclopedia; or, 'Conversations Lexicon': [ed. by A. Whitelaw from the Encyclopedia Americana]. Popular encyclopedia,1884 **The Popular Encyclopedia; Or, "Conversations Lexicon;" Being a General Dictionary of Arts, Sciences, Literature, Biography, and History. With ... Illustrations** Encyclopaedias,1874
