Music: A Social Experience Steven Cornelius, Mary Natvig, 2016-06-03 Music A Social Experience offers a topical approach for a music appreciation course Through a series of subjects from Music and Worship to Music and War and Music and Gender the authors present active listening experiences for students to experience music's social and cultural impact The book offers an introduction to the standard concert repertoire but also gives equal treatment to world music rock and popular music and jazz to give students a thorough introduction to today's rich musical world Through lively narratives and innovative activities the student is given the tools to form a personal appreciation and understanding of the power of music The book is paired with an audio compilation featuring listening guides with streaming audio short texts on special topics and sample recordings and notation to illustrate basic concepts in music There is not a CD set but the companion website with streaming audio is provided at no additional charge

An Illustrated Dictionary for the Modern Trombone, Tuba, and Euphonium Player Douglas Yeo, 2021-10-28 Modern low brass instruments trombone tuba and euphonium have legions of ancestors cousins and descendants in over five hundred years of history Prominent scholar and performer Douglas Yeo provides a unique accessible reference guide that addresses a broad range of relevant topics and brings these instruments to life with clear explanations and the most up to date research Brief biographies of many path changing individuals highlight their influence on instrument development and use The book's inclusive scope also recognizes the work of diverse influential artists whose important contributions to trombone and tuba history and development have not previously been acknowledged in other literature Extensive illustrations by Lennie Peterson provide insight into many of the entries

Sound of the 20th century Marcus G. Patka, Alfred Stalzer, 2016

Jewish Anxiety and the Novels of Philip Roth Brett Ashley Kaplan, 2015-02-26 Jewish Anxiety and the Novels of Philip Roth argues that Roth's novels teach us that Jewish anxiety stems not only from fear of victimization but also from fear of perpetration It is impossible to think about Jewish victimization without thinking about the Holocaust and it is impossible to think about the taboo question of Jewish perpetration without thinking about Israel Roth's texts explore the Israel Palestine question and the Holocaust with varying degrees of intensity but all his novels scrutinize perpetration and victimization through examining racism and sexism in America Brett Ashley Kaplan uses Roth's novels as springboards to illuminate larger problems of victimization and perpetration masculinity femininity and gender racism and anti-Semitism For if as Kaplan argues Jewish anxiety is not only about the fear of oppression and we can begin to see how these anxieties function in terms of fears of perpetration then perhaps we can begin to unpack the complicated dynamics around the line between the Holocaust and Israel Palestine
