Ruby Blondell

CAMBRIDGE

# Play Of Character In Platos Dialogues

**William H. F. Altman**

## **Play Of Character In Platos Dialogues:**

**The Play of Character in Plato's Dialogues** Ruby Blondell, 2002-06-27 This book attempts to bridge the gulf that still exists between literary and philosophical interpreters of Plato by looking at his use of characterization Characterization is intrinsic to dramatic form and a concern with human character in an ethical sense pervades the dialogues on the discursive level Form and content are further reciprocally related through Plato's discursive preoccupation with literary characterization Two opening chapters examine the methodological issues involved in reading Plato as drama and a set of questions surrounding Greek character words especially ethos including ancient Greek views about the influence of dramatic character on an audience The figure of Sokrates qua Platonic hero also receives preliminary discussion The remaining chapters offer close readings of select dialogues chosen to show the wide range of ways in which Plato uses his characters with special emphasis on the kaleidoscopic figure of Sokrates and on Plato's own relationship to his dramatic hero *Ascent to the Good* William H. F. Altman, 2018-11-29 At the crisis of his Republic Plato asks us to imagine what could possibly motivate a philosopher to return to the Cave voluntarily for the benefit of others and at the expense of her own personal happiness This book shows how Plato has prepared us his students to recognize that the sun like Idea of the Good is an infinitely greater object of serious philosophical concern than what is merely good for me and thus why neither Plato nor his Socrates are eudaemonists as Aristotle unquestionably was With the transcendent Idea of Beauty having been made manifest through Socrates and Diotima the dialogues between Symposium and Republic Lysis Euthydemus Laches Charmides Gorgias Theages Meno and Cleitophon prepare the reader to make the final leap into Platonism a soul stirring idealism that presupposes the student's inborn awareness that there is nothing just noble or beautiful about maximizing one's own good While perfectly capable of making the majority of his readers believe that he endorses the harmless claim that it is advantageous to be just and thus that we will always fare well by doing well Plato trains his best students to recognize the deliberate fallacies and shortcuts that underwrite these claims and thus to look beyond their own happiness by the time they reach the Allegory of the Cave the culmination of a carefully prepared *Ascent to the Good* **Die Philosophie der Antike:**

**Pt. 1. Sophistik, Sokrates, Sokratik, Mathematik, Medizin**, 2007 **The Dialogues of Plato** Plato, 1875 **Die Philosophie der Antike: Platon** Michael Erler, 1983 **Dialektische Tugenden** Rolf Geiger, 2006 In den Platonischen Dialogen wird immer wieder auch darüber diskutiert ob das von Sokrates bevorzugte dialektische Gespräch in dem einer fragt und der andere antwortet die richtige Form der philosophischen Auseinandersetzung ist Dabei wird erörtert welche Ziele man mit einem solchen Gespräch verfolgt und wie ein solches Gespräch geführt werden muss um diese Ziele zu erreichen So ist es für dialektische Gespräche wesentlich dass allen Aussagen aus denen sich eine Argumentation zusammensetzt eine Zustimmung entweder gegeben oder verweigert wird Diese Zustimmungen müssen jedoch bestimmten Bedingungen genügen um als aussagekräftige und wahrheitszutragliche Zustimmungen gelten zu können Deshalb werden in den Platonischen

Dialogen nicht nur die Zustimmungen im dialektischen Gespr ch dargestellt sondern auch die besonderen Merkmale beschrieben durch die sie zu qualifizierten oder unqualifizierten Zustimmungen werden Die Gespr chsteilnehmer m ssen bestimmte dialektische Regeln beachten und besondere dialektische Tugenden besitzen Das vorliegende Buch bietet eine umfassende Analyse dieser Selbstthematizationen des dialektischen Gespr chs The Dialogues of Plato: Charmides. Lysis. Laches. Protagoras. Euthydemus. Cratylus. Phaedrus. Ion. Symposium Plato,1875 **Reason and Analysis in Ancient Greek Philosophy** Georgios Anagnostopoulos,Fred D. Miller Jr.,2013-06-14 This distinctive collection of original articles features contributions from many of the leading scholars of ancient Greek philosophy They explore the concept of reason and the method of analysis and the central role they play in the philosophies of Socrates Plato and Aristotle They engage with salient themes in metaphysics epistemology ethics and political theory as well as tracing links between each thinker s ideas on selected topics The volume contains analyses of Plato s Socrates focusing on his views of moral psychology the obligation to obey the law the foundations of politics justice and retribution and Socratic virtue On Plato s Republic the discussions cover the relationship between politics and philosophy the primacy of reason over the soul s non rational capacities the analogy of the city and the soul and our responsibility for choosing how we live our own lives The anthology also probes Plato s analysis of logos reason or language which underlies his philosophy including the theory of forms A quartet of reflections explores Aristotelian themes including the connections between knowledge and belief the nature of essence and function and his theories of virtue and grace The volume concludes with an insightful intellectual memoir by David Keyt which charts the rise of analytic classical scholarship in the past century and along the way provides entertaining anecdotes involving major figures in modern academic philosophy Blending academic authority with creative flair and demonstrating the continuing interest of ancient Greek philosophy this book will be a valuable addition to the libraries of all those studying and researching the origins of Western philosophy *Rediscovering the Alcibiades Major* M. Jorge de Carvalho,Samuel Oliveira,2020-07-14 It is a well known fact that Kant used the lament of the Trojan queen Hecuba from Ovid s Metamorphoses to describe the fate of metaphysics But these words could equally be used to describe the peculiar fate of the Alcibiades Major There was a time when this small dialogue was held in high regard and enjoyed much authority 2 The Alcibiades Major was unreservedly attributed to Plato It was much read quoted and alluded to And it is no exaggeration to say that it was one of the key works of the corpus platonicum The contrast with the present could hardly be more striking *The Origin and Growth of Plato's Logic* Wincenty Lutosławski,1897 Traditional and Cosmic Gods in Later Plato and the Early Academy Vilijus Bartninkas,2023-04-13 Shows how Plato s distinction between the traditional and cosmic gods sheds new light on his relation to Greek religion *The Dialogues of Plato* Plato,1911 Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur ,2007 **The Book Review Digest** ,2003 **The Literary World** ,1892 Philosophy in Dialogue Gary Alan Scott,2007-08-17 Traditional Plato scholarship in the English speaking world has assumed that Platonic dialogues are merely

collections of arguments Inevitably the question arises If Plato wanted to present collections of arguments why did he write dialogues instead of treatises Concerned about this question some scholars have been experimenting with other more contextualized ways of reading the dialogues This anthology is among the first to present these new approaches as pursued by a variety of scholars As such it offers new perspectives on Plato as well as a suggestive view of Plato scholarship as something of a laboratory for historians of philosophy generally The essays gathered here each examine vital aspects of Plato s many methods considering his dialogues in relation to Thucydides and Homer narrative strategies and medical practice images and metaphors They offer surprising new research into such much studied works as The Republic as well as revealing views of lesser known dialogues like the Cratylus and Philebus With reference to thinkers such as Heidegger Gadamer and Sartre the authors place the Platonic dialogues in an illuminating historical context Together their essays should reinvigorate the scholarly examination of the way Plato s dialogues work and should prompt a reconsideration of how the form of Plato s philosophical writing bears on the Platonic conception of philosophy

Plato's Dialogues Referring to the Trial and Death of Socrates Plato,1892    Heythrop Journal ,2004    *The Complete Works of Robert Browning: Red cotton night-cap country. Aristophanes' apology. etc* Robert Browning,1899    **Red cotton night-cap country. Aristophanes' apology. The inn album. Agamemnon. Dramatic idyls. Parleyings. Asolando, etc** Robert Browning,1899

## Reviewing **Play Of Character In Platos Dialogues**: Unlocking the Spellbinding Force of Linguistics
