**The Deadline Effect** Christopher Cox, 2021-07-08 I love deadlines I like the whooshing sound they make as they fly by So said author Douglas Adams but what if there was a way of making deadlines work for you and using them to ensure others provide you with what you want when you want it In Christopher Cox's brilliant new book he looks at the impact deadlines have on us and how we can use them to deliver the best results for all parties Social scientists have revealed that most negotiations run right up to the deadline before a deal is finally struck What they also discovered was that this deadline effect usually results in a worse deal for both parties Cox shows you how instead the deadline effect can be used to bring about success not failure The truth is that most of us think of deadlines all wrong They aren't immutable laws of nature they are a game we can play and win This book will show you the strategies different workplaces have come up with to do just that They are the businesses and individuals who are rehabilitating the deadline effect taking the urgency it provides and jettisoning all the down to the wire nonsense Based on his own experience as a magazine commissioning editor where coaxing writers to deliver on time is an art form he also embeds himself in other businesses such as a ski patrol ahead of the first day of the winter season to see how they meet deadlines that cannot be missed Above all this book is an argument to embrace the power of deadlines When time is limited people are less wasteful more focused productive and creative It's a liberating realisation excellence and timeliness are not at odds and the deadline effect can be highly effective My Husband's Wife Carla Kovach, 2025-09-08 Five years ago I buried my husband Today I saw him with his new wife Thank you for agreeing to be our wedding planner Theo is on his way Madison says as we meet to plan her dream wedding The moment her fiancé enters the room a newborn baby in his arms my whole world shifts and I grab hold of my desk to stop myself from falling Theo shakes my hand as he introduces himself but I already know who he is He's my husband The man I thought had died five years ago Lovely to meet you Eva he says carefully avoiding my frozen stare I don't recognise his smooth voice anywhere I want to scream ask him why he's doing this to me But I know just how good a liar my husband is And he knows my darkest secret I can't risk him destroying everything I've worked so hard for At the end of the meeting I watch the happy little family walk away and I don't miss Theo's eyes staring at me just a second too long He knows I'm onto him But only I know what I'm going to do next Readers who loved *The Housemaid* *The Perfect Marriage* and *Gone Girl* will love the jaw dropping twist in this absolutely gripping psychological thriller What readers are saying about *My Husband's Wife* Another amazing five star read A fast paced rollercoaster of a read and had me gripped from the very beginning so much so that I read it in one sitting Goodreads reviewer The literal definition of a page turner I read this in one sitting Absolutely WILD and wow holy cliffhanger I physically gasped out loud A fantastic 5 star read Goodreads reviewer I had so many emotions as I read this book I was screaming I read it in one sitting This book consumed me till the very end Askawayblog A fast paced edge of your seat thriller I was gripped from the very first page It was a wild ride Addictive It sent me on a rollercoaster of

Play, Rewind John Vurro, 2025-04-29 Wes is stuck He should be spending his twenties finishing the schooling that will help him land a career in movies just like he's always dreamed about Instead he divides his time between clerking in the most low rent video store in Queens and caring for a mom struggling with Alzheimer's His father's out of the picture and he has no realistic means of finding care for her beyond the harried home nurse who's already on the brink of quitting but even though he's sure his mother won't even remember his efforts he's still committed to her Still he doesn't have much to do outside life's boring routines except pressing Play and Rewind to try and identify the moments when it all went wrong And maybe watching the random vacation video that some customer left at the store to be copied Then change A friend from high school returns to the neighborhood after a mysterious absence and a disreputable man from the neighborhood takes over the store He may or may not be mobbed up Who can say really It's not the sort of thing you ask your new boss And he finds out his father may be closer than he thinks In short order Wes's life's starting to look different Whether that's a good or a bad thing is tough to say the store's new owner wants to make easy money selling bootleg videos out front and we all know the FBI frowns on that sort of thing the high school friend may be too eager to make amends and to hide the secrets of her own past mistakes but still it's something Now Wes has to navigate feelings far more frightening than stasis and find a way forward despite everything pulling him back Play Rewind is a lovely literary look at a place near and dear to our hearts one we all might want to visit if we had a time machine the video store And it sends us to another vanished place peaceful and innocent pre 9/11 New York More importantly it's a great glimpse into lives we can all relate to people struggling against impossible odds unsure if anything will ever change It's a fantastic debut novel from an amazing new author John Vurro I loved it so much that after I read it I wanted to rewind back to the beginning and read it again Vurro's is a bold and brilliant new literary voice This beautiful novel moved me deeply Alena Graedon author of The
