Doordash Deal:

Financial Information Analysis Philip O'Regan, 2025-08-01 Accounting information is one of the most vital and important sources of information in the modern world. Those who understand this and can analyse its context and content have the power to influence key decision making processes. Philip O'Regan's authoritative and important textbook provides readers with the tools and techniques to analyse accounting information and present it in a manner that is clear, focused and valuable. Updated to reflect changes in IFRS governance codes and regulatory frameworks as well as new sustainability reporting rules, the text sheds light on the role of accounting information in modern society and the many ways in which it can be used by a variety of stakeholders including shareholders, investors, employees, environmentalists and others. For readers across the UK, Ireland and continental Europe, this new edition is completely updated to incorporate relevant accounting standards, sustainability, ESG regulations and advanced analytical techniques. Features which add unique value to this fourth edition of *Financial Information Analysis* include case studies in every chapter with numerous supporting articles from the major financial presses, questions for review and comprehensive online support and materials. This essential textbook is core reading for advanced undergraduate and postgraduate students wishing to understand the role of accounting information in modern society.

Applied Marketing Rochelle Grayson, Daniel Padgett, Andrew Loos, 2023-10-23 Tomorrow's professionals need a practical, customer-centric understanding of marketing's role in business and critical thinking skills to help their organizations succeed. *Applied Marketing* 2nd Canadian Edition helps students learn practical, modern marketing concepts appropriate for the Principles of Marketing course by applying them to the latest business scenarios of relatable brands. This comprehensive yet concise text is co-authored by Professors Rochelle Grayson and Daniel Padgett and practitioner Andrew Loos and it blends current academic theory with an agency owner perspective to help students get an insider's look at how top businesses operate. With many Canadian-specific examples, students can relate concepts learned in the classroom to marketing topics and events taking place in their backyard.

Financing the Entrepreneurial Venture Paul A. Gompers, 2024-06-04 *Financing the Entrepreneurial Venture* focuses on financial management within entrepreneurial firms. Most of these are young firms, although some are more established. The book examines these firms at all phases of their life cycle, from the initial idea generation to the ultimate harvesting of the venture. The book covers firms in a diverse set of industries, including high technology, low technology, and services. A significant fraction of the cases focus on non-US ventures. Additionally, the issues of gender and diversity are addressed in a number of settings.

Introduction to Information Systems R. Kelly Rainer, Brad Prince, 2023-09-20 *Introduction to Information Systems* 10th Edition teaches undergraduate business majors how to use information technology to master their current or future jobs.
