Muhammad Hisham Kabbani, 2003 A scholar from the Middle East offers a chronicle of scientific breakthroughs and world events that will occur during the last days as foretold by Prophet Muhammad Time honored beliefs held by one fifth of the world s population but little known in the West are expertly presented in this compelling book *A Treatise on Wills* Melville Madison Bigelow, Thomas Jarman, 2025-07-24 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Deacon, an Original Comedy Drama in Five Acts** Horace C. Fishman, 2017-09-29 First Published in 2017 In the first half of the century therapy for disturbed adolescents focused on individual dynamics or group treatment and for the most part did not take into serious consideration adolescents in relation to their families Adolescent problems were regarded as due mostly to the internal difficulties inherent to the stage of life and the family was seen mainly as a backdrop to the vicissitudes of personal development This book by one of family therapy s most creative practitioners changes all that Exclusively devoted to elaborating a family therapy model of understanding and treating adolescents it is a major contribution to the field It also performs the unique and much needed function of revitalizing the concept of homeostasis moving it from its status as a general explanation for non change to that of a useful principle for organizing therapeutic dialogue With exceptional clarity and sensitivity Charles Fishman shows where and how homeostasis operates in families and how recognizing and working with each family s homeostatic maintainer can produce significant change Any clinician who has been ready to give up in frustration when dealing with the thorny problems of adolescent patients will welcome this thoughtful practical book **The Medical Review of Reviews** , 1897 **The Life of Christ: Seed time.
