Continuing a great tradition *Chicks n Chained Males* is not what you think. That place is down the block on another street in another city. In fact, if that's what you're looking for, one of our Chicks, Helga, her name is, will be over shortly to give you a send-off; you won't soon forget. The term Bouncer takes on a whole new meaning. All we have here is a bunch of perfectly healthy babes in brass bras and chain-link bikinis bearing broad swords and filled with good intentions. Never would such as they stoop to the exploitation of those poor chained males who have suddenly found themselves under their protection and succor. Never would they force those poor boys to do anything they did not wish to do, perish that thought on the nearest sharp blade. No, no, these chicks are here to rescue these victims of male abuse from any number of fates worse than death. Right here, right now. At the publisher's request, this title is sold without DRM (Digital Rights Management). *The Horror Beyond Life's Edge: 560+ Macabre Classics, Supernatural Mysteries & Dark Tales* Mary Shelley, H. P.
