Lloyd, 1986 Polarity and analogy. Two types of argumentation in early greek thought Geoffrey E. R. Lloyd, 1977 **Jerusalem and Athens** Jacob Neusner, 2021-11-22 The Talmud the Mishnah a philosophical law code and the Gemara a dialectical commentary upon the Mishnah works by translating principal modes of Western philosophy and science into the analysis of the rules of rationality governing the rules of humble everyday reality Science in particular the method of hierarchical classification characteristic of natural history supplies the method of making connections and drawing conclusions to the Mishnah the law code that forms the foundation document of the Talmud as Neusner demonstrated in his *Judaism as Philosophy The Method and Message of the Mishnah* Here he proceeds to show how philosophy specifically dialectical analysis defines the logic of the Gemara and guides the writers of the Gemara's compositions and the compilers of its composites in their analysis and amplification of some of the topical presentations or tractates of the Mishnah Körper und Verkörperung Annette Weissenrieder, Katrin Dolle, 2019-07-08 To which degree was ancient medical and philosophical knowledge incorporated in New Testament texts Focusing on the crossroads of the Greek Bible ancient medicine and philosophy Annette Weissenrieder and Katrin Dolle are focusing on the anthropology related terms like soul body or mind but also going beyond in integrating terms like female male blood or nature They are trying to emphasize and highlight are the structures of meaning for key anthropological terms taking ancient medical philosophical concepts into consideration in order to more clearly make out the distinctions between various terms from a natural philosophical perspective The source texts are presented with a fresh translation and with introductory remarks on philological medical and philosophical questions **The History Written on the Classical Greek Body** Robin Osborne, 2011-07-07 Shows that history written on the basis of texts alone creates a misleading picture of classical Greece **Rulers, Nomads, and Christians in Roman North Africa** Brent D. Shaw, 2024-10-28 The studies collected in this volume cover three broad areas of the history of North Africa as part of the Roman Empire Studies devoted to the history of political institutions are followed by ones that detail aspects of interactions between nomad and sedentarist communities in the African provinces The book concludes with two studies on African christianity In all of these special attention is given to the indigenous institutions economies and beliefs that informed the confrontation between African and Roman The studies in general argue for a strongly interactionist approach to historians reconstruction of the history of the period and the region a perspective that would emphasise the continuous conflict between the two world of African and Roman **Literature, Religion, and East/West Comparison** Anthony C. Yu, 2005 This book pays critical homage to the eminent comparatist of Chinese and Western literature and religion Anthony C Yu of The University of Chicago Broadly comparative cross cultural and interdisciplinary in scope the volume consists of an introductory essay on Yu's scholarly

career and thirteen additional essays on topics such as literary texts and traditions of varying provenance and periods ranging from ancient Greece medieval Europe and nineteenth and twentieth century England and America to China from the classical to modern periods The disciplines and areas of research that the essays draw into constructive engagement with one another include comparative literature religion and literature history of religions or comparative religion religion and social thought and the study of myth Eric Ziolkowski is Professor and Head of the Department of Religious Studies at Lafayette College

Early Greek Ethics David Wolfsdorf, 2020 Early Greek Ethics is the first volume devoted to philosophical ethics in its formative period It explores contributions from the Presocratics figures of the early Pythagorean tradition sophists and anonymous texts as well as topics influential to ethical philosophical thought such as Greek medicine music friendship and justice
