Nonlethal Weapons Robert J. Bunker,1997 The purpose of this paper is to promote understanding of and research into a new category of weapons designated nonlethal by the military services These weapons are also classified as less than lethal or less lethal by law enforcement agencies National security experts consider these weapons increasingly important in the post war Cold War era This type of weapon has been used throughout history but was given new emphasis during the Vietnam War era Law enforcement agencies and Army national guard units relying upon traditional forms of politico military force were ineffective in countering US domestic civil unrest As similar types of conflict now many magnitudes greater seem to dominate international politics since the end of the Cold War this type of weapon takes on increasing importance page ix
