The Polish Underground State Stefan Korboński, 1981

The Polish Underground State (1939-45) Józef Garliński, 1975

Polish underground state Stanisław Salmonowicz, 1999

Fighting Warsaw Stefan Korboński, 1968

The Polish

Underground and the Jews, 1939-1945 Joshua D. Zimmerman, 2015-06-05

The Polish Underground and the Jews 1939-1945 examines one of the central problems in the history of Polish Jewish relations the attitude and the behavior of the Polish Underground the resistance organization loyal to the Polish government in exile toward the Jews during World War II Using a variety of archival documents testimonies and memoirs Zimmerman offers a careful dispassionate narrative arguing that the reaction of the Polish Underground to the catastrophe that befell European Jewry was immensely varied ranging from aggressive aid to acts of murder By analyzing the military civilian and political wings of the Polish Underground and offering portraits of the organization's main leaders this book is the first full length scholarly monograph in any language to provide a thorough examination of the Polish Underground's attitude and behavior towards the Jews during the entire period of World War II

The Polish Underground, 1939-1947 David G. Williamson, 2012-04-12 This study of the Polish resistance movement chronicles the operations of various factions from WWII through the postwar battle for power The Polish partisan army famously fought with tenacity against the Wehrmacht during World War II Yet the wider story of the Polish underground movement which opposed both the Nazi and Soviet occupying powers has rarely been told In this concise and authoritative study historian David Williamson presents a major reassessment of the actions impact and legacy of Polish resistance The Polish resistance movement sprang up after the German invasion of 1939 As the war progressed it took many forms including propaganda spying assassination disruption sabotage and guerrilla warfare Many groups were involved including isolated partisan bands the Jewish resistance and the Home Army which confronted the Germans in the disastrous Warsaw Uprising of 1944 Going beyond the Second World War Williamson's graphic account chronicles the clandestine civil war between the Communists and former members of the Home Army that continued until the Communist regime took power in 1947

Fighting Warsaw Stefan Korbonski, 1968

Polish underground state Stanisław Salmonowicz, 1999

The

Polish Underground State (1939-1945) Józef Garliński, 1975*

Days of Adversity Evan McGilvray, 2015-07-19

This work is a reexamination of the decisions regarding the 1944 Warsaw Uprising made by the leadership of the underground Polish Army AK as well as the questionable attitudes of senior Polish commanders in exile in London The questions raised are was the uprising necessary and why was it so poorly conducted by a totally indifferent leadership The challenge is made that the Polish leaders in Warsaw and in London were clearly unfeeling In Warsaw the uprising was allowed to happen and was doomed from the very beginning owing to poor generalship The Soviets can be seen rather than to have betrayed the Poles to have behaved in the same manner as they had always behaved to the Poles and Poland that is underhanded and with great deceit Therefore why did the Warsaw Poles rise up when encouraged by the Soviets The Poles should have known that it was

a trick Despite plans laid down by the Allies to support such uprisings as had been the case in Paris during August 1944 the Red Army watched the AK be destroyed by the Germans to save themselves the same job Once the uprising failed the Polish leadership went into what could only be described as genteel captivity compared with the fate of hundreds of thousands of their countrymen and women who were herded out of Warsaw by German armed forces and sent to concentration camps illegal prisoner of war camps or forced into slave labor In the West senior Polish commanders did not consider a 100% casualty rate to be unacceptable as they pushed for Allied flights to resupply Warsaw This callous disregard for life was part of the lack of understanding in the leadership of the reality of the Polish situation in 1944 the war was not about Poland but the complete defeat of Germany If Polish freedom came out of this then good otherwise the Allies were not going to be diverted from the constant aerial bombardment of Germany as the Allies swept eastward and westward towards Germany This work is supplemented with Polish sources as well as interviews with five women who had been involved in the Warsaw Uprising as young women and girls in 1944 Now in their 80s these ladies kindly granted interviews with the author in Poland during 2012

Historical Dictionary of Poland 1945-1996 Piotr Wróbel, 2014-01-27 Located between the former Soviet Union and eastern Germany Poland has the potential to become a political and economic bridge between the East and West It is crucial to European security and stabilization yet the list of reference books on recent Polish history is very short This book fills that gap providing information on Polish political economic and cultural history since 1945

Polish Resistance Movement in Poland and Abroad, 1939-1945 Witold Biegański, 1987

Towards Freedom Andrzej Krzysztof Kunert, 2014 Exhibition catalog for exhibit held at National Louis University in Chicago Illinois from April 23 to May 20 2007

The Polish underground state Stefan Korbonski, 1978

The Polish Resistance Home Army, 1939-1945 Marek Ney-Krwawicz, 2001

Towards Freedom Andrzej Krzysztof Kunert, 2004

Poland Richard Casimir Lewanski, 1984

The Dark Side of the Moon, 1947

The Moscow Trial of the 16 Polish Leaders, 1945

The Polish Review and East European Affairs, 1944
