American Political Humor Jody C. Baumgartner, 2019-10-07 This two volume set surveys the profound impact of political humor and satire on American culture and politics over the years paying special attention to the explosion of political humor in today's wide ranging and turbulent media environment Historically there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics entertaining and sometimes insightful but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture This set documents just how mistaken that assumption is By examining political humor and satire throughout US history these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents parties and issues but also how satirists comedians cartoonists and filmmakers have helped to shape popular attitudes about landmark historical events major American institutions and movements and the nation's political leaders and cultural giants Finally this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live *International humour*, 1894 The Saturday Review of Politics, Literature, Science and Art, 1878 *The Lives of the Chief Justices of England* John Campbell Baron Campbell, 1874
