Discontents

Paul Hollander, 2018-01-18 What ails people at the present time in Western and especially American society is an inexhaustible subject Discussion of these discontents in the United States in the last decade of the twentieth century leads to an obvious question How much and what kind of discontents are possible in a society that has experienced over a decade of economic growth close to full employment hardly any inflation falling crime rates declining teenage pregnancies and other good things Is there anything to worry about in a country that has become the undisputed superpower of the world and no longer faces another hostile superpower such as the Soviet Union used to be Paul Hollander wrestles with these and other questions in seeking to understand conditions and developments within American culture and society in the context of their relationship to political systems movements and ideas critical of the United States and Western values Hollander examines disparate phenomena such as the O J Simpson case the banning of West Side Story in Amherst Massachusetts the popularity and exposé of Rigoberta Menchú and the appeal of sports utility vehicles which shed light on the major themes of the volume Topics include conflicts among American intellectuals including disputes over the Kosovo intervention the impact of postmodernism on higher education the persisting appeal of victimhood in American society the flaws of American sociology academic specialists failure to anticipate the collapse of the Soviet Union and the new anti-Americanism in postcommunist societies Among topics of historical interest are a survey of Western judgments and misjudgments of the communist systems examination of the relative neglect of political violence in communist states and analysis of officially enforced secular religious cult of communist rulers Many of these writings are linked to the author's longstanding interest in why people accept or reject particular political systems and in the contradictory human needs and desires which condition and limit the pursuit of social and political ends Sociologists political scientists and the general reader will find this book of great interest

The New Age of Terrorism and the International Political System

Adrian Guelke, 1995-12-31 Guelke sets out to show that the age of terrorism is a post colonial phenomenon He uncovers the practical and theoretical mainsprings and attempts to put the issue into perspective concluding that terrorism is unlikely to

remain a central feature of the international political system **Annals of the American Academy of Political and Social Science**, 1970 *Terror And Communist Politics* Jonathan R Adelman, Walter Bacon, 2019-07-09 From the Great Purges in the Soviet Union in the late 1930s to the bloody elite purges in Eastern Europe in the late 1940s and early 1950s to the mass terrorism in Cambodia in the middle 1970s the role of terror and the secret police in Communist politics has been powerful and highly visible This book reviews the surprisingly sparse literature on the subject and presents new studies of secret police forces and the political use of terror in the USSR China Poland Hungary Romania Czechoslovakia and Cambodia The focus of each country study is the nature and extent of internal terror and repression the range of external intelligence functions and the effect of secret police interference in internal policymaking processes The book ably fills a void in the literature by providing needed case studies as well as a theoretical framework for understanding secret police activity

The American Scholar William Allison Shimer, 1970 *Canadian-American Slavic Studies* Charles Schlacks, 1975 A quarterly journal devoted to Russia and East Europe **Dissent**, 1970 Politics And Markets Out Of Print, 1977 *The Soviet System* Alexander Dallin, Gail W Lapidus, 1995 Published originally as *The Soviet System in Crisis* a Reader of Western and Soviet Views this revised edition offers a discussion of the transformation of communism under Gorbachev and the eventual collapse of the Soviet Union A wide variety of views is represented Public Opinion in European Socialist Systems Walter D. Connor, Zvi Y. Gitelman, 1977 Politics in the German Democratic Republic John M. Starrels, Anita M. Mallinckrodt, 1975 **Violence, Aggression Terrorism**, 1987 Media Coverage and Political Terrorists Richard W. Schaffert, 1992-06-30 This book studies what has generally been regarded as intangible the relationship between news media coverage and terrorist success Utilizing his four year database of barricade and hostage and hijacking atrocities by international terrorists and the coverage afforded those events by newspapers from three Western nations Germany Great Britain and the United States Richard W Schaffert observes the effect of media coverage newspaper column space provided articles and photographs published on whether concessions were made to terrorist demands and establishes a strong positive relationship between coverage and terrorist success In Chapter 1 Schaffert establishes a definition of political terrorism by identifying the basic elements that distinguish it from other forms of political violence then rigorously applies this definition throughout his analysis The functions of political terrorism are reviewed with special consideration given to the use of terrorism as an instrument of politics Schaffert evaluates state experiences with political terrorism in terms of the nature of the threat countermeasures employed the media's role and the relationship between public press and government Finally the question of the responsibility of a democratic society's media in the reporting of terrorism is considered Schaffert's extensive database which is included as an appendix will prove invaluable for further research in the area

Political Terror In Communist Systems Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Terror In Communist Systems has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Terror In Communist Systems has opened up a world of possibilities. Downloading Political Terror In Communist Systems provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Terror In Communist Systems has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Terror In Communist Systems. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Terror In Communist Systems. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Terror In Communist Systems, users should also

consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Terror In Communist Systems has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
