Light on the Path Mark S. Morrisson, 2025-12-02 In the late nineteenth and early twentieth centuries the US and UK experienced an occult revival a flourishing occulture that signalled the increasing presence of the occult in the popular imagination This period also witnessed another major cultural development a rapid expansion of print culture that offered a dizzying array of new magazines pulp fiction cheap single volume and paperback novels and emerging forms of genre fiction all designed to meet and create the demands of a growing fiction readership In *Light on the Path* Mark S. Morrisson explores the surprising interdependence of these two phenomena As supernatural fiction moved in increasingly occult directions modern occultism itself became so entangled with popular fiction that it can almost be seen as a literary phenomenon Morrisson recounts the strategic efforts by modern occultists including Mabel Collins Aleister Crowley Dion Fortune Kenneth Morris and Talbot Mundy to use popular fiction to wrest esotericism away from its traditional modes of secrecy and make esoteric experiences of self transformation widely accessible Through experiments to forge a new esoteric fiction genre from already existing

genres these occultists intended their novels to open gates for readers to offer an occult gnosis through the simple act of reading a novel In so doing they transformed genre fiction into a tool with which to launch new religious movements that persist today Ghosts and Gallows Paul Adams,2012-07-01 Murder and ghosts go hand in hand and vengeful spectres seeking justice or haunting the scene of the crime or their killers have adorned the pages of literature since before Shakespeare This chilling collection of true crime tales dating from the mid eighteenth century to the present day all feature some element of the paranormal Gathered from across the UK cases include the discovery of a body by a spiritualist medium a murder solved by a dream of the mother of the victim and evidence at a Scottish murder trial provided by the ghost of the victim herself Featuring visions psychometry ghosts haunted prisons possessions and spiritualist detectives this book is a fascinating look at criminology and ghost hunting Paranormal historian Paul Adams has opened the case files of both the criminologist and the ghost hunter to compile a unique collection of crime from British history No true crime bookshelf is complete without Ghosts Gallows **Psychic Research** ,1931 **The Journal of Transpersonal Psychology** ,1983 Quarterly Transactions of the British College of Psychic Science British College of Psychic Science,1931 *The International Psychic Gazette* ,1930 Journal of the American Society for Psychical Research American Society for Psychical Research,1931 List of members in v 1 6 12 Troublesome Corpses David Keyworth,2007 Since earliest times man has feared troublesome corpses European folklore is particularly rich in tales of vampires and reanimated cadavers **The Kalpaka** ,1931 **A Contribution Towards a Bibliography Dealing with Crime and Cognate Subjects** Sir John Cumming,1970
