**Riding with Ghosts, Angels, and the Spirits of the Dead** John Russell, 2020-09-09 As an internationally known professional psychic, John Russell has experienced a host of compelling and sometimes spine-chilling paranormal adventures. His book *Riding with Ghosts, Angels, and the Spirits of the Dead* is an episodic collection of really good ghost stories, all of which happen to be true. John has logged thousands of miles on his motorcycle and readers can ride along as he encounters UFOs, mystical weather, Civil War phantoms, electronic recordings of spirit voices, crop circles, Indian spirits, haunted forests, and even a phone call to a ghost. Each entertaining, unique essay offers up a spiritual truth or insight for further contemplation. His experiences show us that powerful, unseen intelligences on the Other Side observe us and listen to us; communicate with us in astonishing ways; are sometimes able to grant our desires; may offer us further insights into the spiritual realm; and can literally save our lives as long as we listen to them and pay attention.
