## **Psychology Counseling And The Seminarian:**

**Psychology, Counseling, and the Seminarian** Robert James Wister, 1994-01-01 These 11 essays address the importance of psychological assessments for prospective seminary students. The articles are primarily for seminary officials who make admission decisions based on testing and the analysis of test results. The chapters also discuss questions and issues that all seminary faculty address on a daily basis: maturity of seminarians, spiritual direction and appropriate responses to situations which might be aided by counseling. Some of the broad concerns covered here that the vocation counselor may face when working with seminary applicants and students include assessment techniques for both psychosexual maturity and addictive behaviors. Four separate chapters address specific psychological issues: 1. spiritual direction and psychotherapy and the problems of uncritically mixing these together; 2. counseling while in seminary; 3. a comparative analysis of psychological screening test results of candidates for ordained ministry; and 4. psychological testing in vocational selection. Since seminaries are more ethnically diverse than in past years, separate chapters discuss the concerns and needs of African American, Latino, and Asian American seminarians. Finally, legal matters are covered with overviews of canon law, psychological testing for admission to seminary, and legal considerations concerning civil law and confidentiality issues. RJM *Goodbye, Good Men* Michael S. Rose, 2015-03-10 *Goodbye Good Men* uncovers how radical liberalism has infiltrated the Catholic Church, overthrowing traditional beliefs, standards, and disciplines. **The Amazing Gift of the Priesthood** Kieran C.

Okoro, 2012-06 During his lifetime on earth, Jesus was not regarded as a priest. How then is he the pioneer and author of the Christian priesthood? What is the difference between the common priesthood and the ministerial priesthood? Why is the priesthood the highest vocation? Can the Church exist without the priesthood? Why is there a scarcity of priestly vocations in some parts of the world today? Why do Catholic priests not marry? These questions and many others are answered in *The Amazing Gift of the Priesthood*, which grew out of the several retreats given by Rev. Kieran C. Okoro to various groups of priests, deacons, seminarians, and lay Christians. Very inspirational, *The Amazing Gift of the Priesthood* is a spiritual classic for the clergy, religious, and lay Christians which keeps the reader engaged throughout. **The Spiritual Formation of Seminarians** James Keating, 2025-05-16 In this book, Deacon James Keating provides an opportunity for one spiritual director to introduce his mind to the minds of other directors with the hope that his ideas may season their own already developed method of direction. The book does not attend to all the possible realities a director may encounter within his or her training or within the daily execution of this ministry. The author wishes to share his approach to directing seminarians by reflecting upon themes and experiences which regularly appear within direction sessions. Spiritual direction certainly has some universal components to it. All directors want their directees to internalize a habit of prayer, to choose a life of remaining with God, to suffer the vulnerability necessary to know divine love, and to then embody that love as heralds of the Gospel. But each director approaches his or her directees from within their own skin, from within a personality that is unique, and by way of a

formation that reflects the unique attractions of each director and his or her own sufferings failures and fidelities These unique embodiments no one writer can know or capture in a book And so this book simply begins a conversation that the author invites other directors to enter and add to according to their own insights The spiritual life of those in seminary occupies the integrating center of a projected life of priestly ministry Time needed to secure an interior life of prayer is one of the key reasons the Church demands years of formation before the celibate state is entered Such a state in life is entered as a testimony to the reality that God lives and loves In light of such love a man enters seminary to discern if he desires to surrender his whole life in response to God sharing His own To live as a cleric without a vital interior life leaves a man in a state of meaninglessness Instilling the virtue of prayer during priestly formation can help assure that celibate priesthood retains its inspiration and meaning throughout the life of a priest Spiritual directors minister to assist a future priest to secure a lifetime habit of prayer so as to secure his commitment to communicate with the living God **Boletín**
