Ptrouchka Full Orchestral Score Revised 1947 Version:

Stravinsky Eric Walter White,1984 In the second edition of the definitive account of Igor Stravinsky s life and work arranged in two separate sections Eric Walter White revised the whole book completing the biographical section by taking it up to Stravinsky s death in 1971 To the list of works the author added some early pieces that have recently come to light as well as the late compositions including the Requiem Canticles and The Owl and the Pussycat Four more of Stravinsky s own writings appear in the Appendices and there are several important additions to the bibliography

Fools and Jesters in Literature, Art, and History Vicki K. Janik,1998-05-21 Jesters and fools have existed as important and consistent figures in nearly all cultures Sometimes referred to as clowns they are typological characters who have conventional roles in the arts often using nonsense to subvert existing order But fools are also a part of social and religious history and they frequently play key roles in the rituals that support and shape a society s system of beliefs This reference book includes alphabetically arranged entries for approximately 60 fools and jesters from a wide range of cultures Included are entries for performers from American popular culture such as Woody Allen Mae West Charlie Chaplin and the Marx Brothers literary characters such as Shakespeare s Falstaff Rabelais Gargantua and Pantagruel and Singer s Gimpel and cultural and mythological figures such as India s Birbal the American circus clown the Native American Coyote Taishu Engeki of Japan Hephaestus Loki the Norse fool schlimiels and schlimazels and the drag queen The entries written by expert contributors are critical as well as informative Each begins with a biographical artistic religious or historical background section which places the subject within a larger cultural and historical context A description and analysis follow This section may include a discussion of the fool s appearance gender role ethical and moral roles social function and relationship to such themes as nature time and mortality The entry then discusses the critical reception of the subject and concludes with an extensive bibliography of general works
