Public Enterprise in Monopolistic and Oligopolistic Enterprises I Vogelsang, 2013-07-04 Public enterprises remain of fundamental importance in advanced economies and this volume characterises them as hybrids influenced by markets and ministries

*Public Enterprise In Monopolis-* Ingo Vogelsang, 2020-11-25 This book is concerned with public production of private goods or with public supply of private demand and examines the economic issues that arise in this context It takes a middle road between recent more extensive and more extreme treatments of public enterprises

**The Struggle for Development and Democracy: A General Theory** Alessandro Olsaretti, 2023-03-13 In *The Struggle for Development and Democracy* Alessandro Olsaretti argues that we need significantly new theories of development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics heightened by the 9 11 attacks This volume proposes a general theory of development and democracy as part of a unified theory of power emphasizing that development needs markets civil society and the state and also the proper networks and interactions amongst markets civil society and the state Imperialism undermines these interactions and turns countries into providers of cheap land or labour This book begins to sketch the mechanisms at work and to answer one question how did imperialist elites build their power All royalties from sales of this volume will go to GiveWell org in honour of Alessandro Olsaretti s memory
