Point Of Lost Souls:

The Heart of Faith Norman Berger, 2023-07-01 If you're looking for a way to grow in faith and grow in Christ this book is for you Is your faith feeling faint Are you looking to get back into God's Word but don't know where to start Specific sections of Scripture have been held dear by believers over countless generations and it's in this heart of the Bible that you can refresh your faith The Heart of Faith contains reflections and devotions on favorite chapters from the Bible and focuses on these core concepts of Christianity Forgiveness of sins Jesus earthly ministry Jesus death and resurrection Salvation for all who believe In this devotional book you'll explore these life-giving themes as found in Psalm 51 Mark 15 Luke 2 and other parts of the gospels You'll also be encouraged to put your faith into action through helpful personal application sections Read these precious passages and let The Heart of Faith transform your understanding of what it means to follow Jesus God's Good News Bobby Jamieson, 2012-04-30 A healthy church is a church in which every member young and old mature and immature unites around the wonderful good news of salvation through Jesus Christ thus this study pays close attention to the gospel as defined in Romans 1:4 In this gospel-rich study participants will learn the Bible's teaching on God-man Christ and our response and see how these things apply to the practice of the local church A series of ten 6-7 week studies covering the nine distinctives of a healthy church as originally laid out in Nine Marks of a Healthy Church by Mark Dever This series explores the biblical foundations of key aspects of the church helping Christians to live out those realities as members of a local body Conveniently packaged and accessibly written the format of this series is guided inductive discussion of Scripture passages and is ideal for use in Sunday school church-wide studies or small group contexts **All Y'all** Heidi Siegrist, 2024-11-11 The South is often perceived as a haunted place in its region's literature one that is strange deviant or queer The peculiar often sexually charged literary worlds of contemporary writers like Fannie Flagg Monique Truong and Randall Kenan speak to this connection between queerness and the South Heidi Siegrist explores the boundaries of negotiating place and sexuality by using the concept of Southernness a purposefully fluid idea of the South that extends beyond simple geography eschewing familiar ideas of the Southern canon When the connection between queerness and Southernness becomes apparent Siegrist shows a Southern-branded queer deviance can not only change the way we think about literature but can also change Southern queer people's lived experiences Siegrist gathers a bevy of undertheorized writers from Kenan and Truong to Dorothy Allison and even George R. R. Martin showing that there are many queer Souths Siegrist offers these multiverses as a way to appreciate a place that is often unfriendly even deadly to queer people But as Siegrist argues none of these Souths from the terrestrial to the imaginary would be what they are without the influence and power of queer literature *Lippincott's Monthly Magazine*, 1893 **Benedictus Dominus. society seems to be coming apart at the seams and Christianity appears on the verge of losing its voice its leadership and its youth The church s calling is to cooperate with her Creator in the repair of the world Instead we struggle in the loss of the simplicity of the natural images of Jesus which compel us to engage tension dependency and the lesson of being on the margins Until we learn to take our cues from a world we did not build our actions will continue to prop up a society struggling from the weight of its own ethos Part history part cultural dialogue part travelogue always in conversation with the ancient and compelling biblical vision of shalom Landscape of the Soul will encourage you to see beyond the shells of your constructed world to those places where dynamic spiritual rhythms can still be found *Poems* George MacDonald,1887 **The Lost Soul and Other Stories** Malavika Kapur,1989 Pastoral Theology in the Baptist Tradition R.
