**Polar Bear Pirates and Their Quest to Reach Fat City** Adrian Webster, 2002-12-30 Polar Bear Pirates and Their Quest to Reach Fat City is a unique experience. It has the appealing appearance and feel of a child's book but contained within it is a whole new universe of characters and terminology that anyone striving for success in whatever they do will instantly recognise and be able to relate to. Adrian Webster brings to life a group of audacious characters called Polar Bear Pirates who do battle with obstacles of the likes of Sinkers, Neg Ferrets and BLOATERS along the road to success. And just what is at the end of the road? Well, it's Fat City. It's where the winners want to be. You'll immediately relate to the animated characters, viruses and terminology throughout the book, whether categorising yourself or your colleagues and friends. We all have dealt with Neg Ferrets and BLOATERS, we just didn't know what they were called before. But it's more than just a laugh and light read. Although highly engaging and entertaining, Adrian Webster also gives you the tools and tips to become the success you want to be. Polar Bear Pirates and Their Quest to Reach Fat City is a completely unique, easy, quick and fun book to read. It unravels complex motivational issues, delivers powerful, serious messages and provides inspirational career and business advice in a refreshingly new, simple and engaging way.

**Polar Bear Pirates** Adrian Webster, 2003 A fresh and innovative route to business and personal success. Polar Bear Pirates contains a whole new universe of characters and terminology that everyone will instantly recognize and relate to. Polar Bear Pirates: highly focused, successful, fun-loving people who truly believe in life before death are on a quest to reach Fat City. But as we follow the fortunes of these highly motivated bears, we see how they must fight off some pretty ruthless and often highly elusive enemies, enemies who are determined to block their paths and shatter their dreams. Here's a brief sketch of just some of these treacherous characters: Sinkers, the bitter losers who, as disciples of the pear shape, despise anyone else's success and derive immense pleasure from torpedoing it; Headtreads, those who block anyone coming up the success ladder; they are devoid of talent, having only got where they are through brown nosing, knife throwing and luck; Neg ferrets, the pessimistic warriors of doom with insatiable appetites for other people's problems; Molasses Man, the sweet but slow-well-meaning people who are burdened by the beliefs of others; Bloaters, boasting, lazy, obnoxious and tediously egotistical reptilian saddos who are absolutely full of it. Written in the tradition of the bestselling *Who Moved My Cheese*, Polar Bear Pirates is a uniquely entertaining and often hilarious look at business and personal development. A game book of questions, answers, traps and signposts, this book delivers powerful inspirational messages as it helps you to unravel a series of complex motivational issues on your journey to personal and professional success.
