Polemics and prophecies, 1967-1970 Isidor Feinstein Stone, 1970 **Polemics and Prophecies, 1967-1970** Isidor F. Stone, 1972 **Polemics and Prophecies: 1967 - 1970** I. F. Stone, 1989-11-08 A collection of newspaper columns from the late 1960s in which Stone turns his attention to the most turbulent period of our recent past This period included the Vietnam War the Tet offensive and the US intervention in Cambodia Polemics and prophecies, 1967-70 Isidor Feinstein Stone, 1970 **Blacks in the Jewish Mind** Seth Forman, 2000-10 Since the 1960s the relationship between Blacks and Jews has been a contentious one While others have attempted to explain or repair the break up of the Jewish alliance on civil rights Seth Forman here sets out to determine what Jewish thinking on the subject of Black Americans reveals about Jewish identity in the U S Why did American Jews get involved in Black causes in the first place What did they have to gain from it And what does that tell us about American Jews In an extremely provocative analysis Forman argues that the commitment of American Jews to liberalism and their historic definition of themselves as victims has caused them to behave in ways that were defined as good for Blacks but which in essence were contrary to Jewish interests They have not been able to dissociate their needs religious spiritual communal political from those of African Americans and have therefore acted in ways which have threatened their own cultural vitality Avoiding the focus on Black victimization and white racism that often infuses work on Blacks and Jews Forman emphasizes the complexities inherent in one distinct white ethnic group s involvement in America s racial dilemma *The Lions' Den* Susie Linfield, 2019-03-26 A lively intellectual history that explores how prominent midcentury public intellectuals approached Zionism and then the State of Israel itself and its conflicts with the Arab world In this lively intellectual history of the political Left cultural critic Susie Linfield investigates how eight prominent twentieth century intellectuals struggled with the philosophy of Zionism and then with Israel and its conflicts with the Arab world Constructed as a series of interrelated portraits that combine the personal and the political the book includes philosophers historians journalists and activists such as Hannah Arendt Arthur Koestler I F Stone and Noam Chomsky In their engagement with Zionism these influential thinkers also wrestled with the twentieth century s most crucial political dilemmas socialism nationalism democracy colonialism terrorism and anti-Semitism In other words in probing Zionism they confronted the very nature of modernity and the often catastrophic histories of our time By examining these leftist intellectuals Linfield also seeks to understand how the contemporary Left has become focused on anti Zionism and how Israel itself has moved rightward Fourth of July, Asbury Park Daniel Wolff, 2021-11-24 Bruce Springsteen brought international attention to the Jersey shore by naming his debut album Greetings from Asbury Park NJ But the real Asbury Park has an even more fascinating story behind it a seaside city of dreams that became a magnet for both the best and worst of America playing host to John Philip Sousa Count Basie and Dr Martin Luther King as well as the mob and the Ku Klux Klan Fourth of July Asbury Park tells the tale of the city s first 150 years guiding us through the development of its lavish amusement parks

and bandstands as well as the decay of its working class neighborhoods and spread of its racially segregated ghettos Featuring exclusive interviews with Springsteen and other prominent Asbury Park residents Daniel Wolff uncovers the history of how this Jersey shore resort town came to epitomize both the promises of the American dream and the tragic consequences when those promises are broken Hailed by The New York Times as a wonderfully evocative grand sad story when first published in 2006 this revised and expanded edition considers how Asbury Park has changed in the twenty first century experiencing both gentrification and new forms of segregation **An American Ordeal** Charles DeBenedetti, Charles Chatfield, 1990 The first interpretive history that covers the antiwar movement in this country throughout the entire Vietnam era Richly illustrated with compelling photographs of the times the book chronicles the war struggle that provoked a struggle about America **Rockefeller Power** Myer Kutz, 1974 **America Since World War II** Jean Christie, Leonard Dinnerstein, 1976 *Third World/Iowa: Southeastern Asia and Oceania* University of Iowa. Libraries, 1987 *The New Muckrakers* Leonard Downie (Jr.), 1976 *The Politics of Defence Budgeting* Michael D. Hobkirk, 1984 World War II exposed weaknesses in the management of defense resources leading the United Kingdom in 1946 and the United States in 1947 to centralize their defense organizations Although each organization has evolved differently both share the problem of interservice rivalry over resource allocation to competing service missions and weapons systems Michael Hobkirk a Ministry of Defense Under Secretary now retired argues that this intramural rivalry obstructs coherent defense planning His examination of the bureaucratic politics of resource allocation in the Ministry of Defence and the Department of Defense points up the strengths and weaknesses of both structures Combining the best features of each system he proposes a hypothetical ideal defense organization Such an organization would include a powerful central staff a planning programming budgeting system with functional categories for specific service tasks a long term budget system for future planning and most important a permanent cadre of civilian staff at the highest level In an era of ever more constrained resources and changing strategic requirements the need for maximum benefit from resources expended remains self evident This study should help defense planners students of organizational theory and those who would better understand the defense policies of our allies **Index to the Contemporary Scene** , 1973 **Decisions and Revisions** Jean Christie, Leonard Dinnerstein, 1975 *Into the Dark* Stephen J. Whitfield, 1980 Explores Hannah Arendt s theories of totalitarianism **Lyndon B. Johnson, a Bibliography** Lyndon Baines Johnson Library, 1984 *The Upside Down Welfare State* Thomas Walz, 1973 *Nixon Reconsidered* Joan Hoff, 1994-07-13 Richard Nixon s notoriety regarding Watergate and foreign policy obscured the domestic achievements of his administration Now in this major work of revisionist history Joan Hoff asserts that the late president s reforms in welfare civil rights and economic and environmental policy greatly overshadowed the things for which he is better remembered **The Press and America** Michael C.
