Psychologists Of Self Tests 25 Love:

The Psychologist's Book of Self-Tests Louis H. Janda, 1996-07-01 How comfortable are you with success Do you possess above average intelligence Who do you believe controls your fate How well do you really know yourself Psychologists have spent years trying to help people answer these questions Now you can benefit from this research and uncover your strengths and weaknesses with this collection of actual personality tests developed by psychologists for professional use Twenty five tests cover every aspect of your personality intelligence ambition self esteem platonic and romantic relationships and sexuality And at the end of each test expert advice is included that will help you change your life for the better The personality profile that emerges will give you valuable insight into yourself and point you in the right direction on your quest for self improvement The Psychologist's Book of Personality Tests Louis Janda, 2000-12-22 FIND OUT HOW TO GET

WHAT YOU WANT OUT OF LIFE Do you long for happiness Do you worry too much Are you content in your romantic relationships Do you wish you felt better about yourself Now you can discover exactly what is stopping you from living the life you long to lead and what you can do about it Based on the latest research this inspiring guide by renowned author and psychologist Dr Louis Janda presents twenty four psychological tests that will help you identify the barriers standing between you and a more fulfilling personal and professional life and figure out how you can overcome them Developed by behavioral researchers for professional use these tests are divided into three sections personal barriers interpersonal barriers and one's capacity for change and cover every aspect of personality from self esteem impulsiveness and self efficacy to intimacy anger and romantic relationships Best of all at the end of each test Dr Janda provides expert advice that will help you use your results to make changes for yourself or help you decide whether you should seek professional help Refreshingly candid and insightful The Psychologist's Book of Personality Tests will not only help you achieve greater personal and professional success it will show you how to get what you want out of life **Arabic Psychological Tests and Their English Versions**

Ahmed M. Abdel-Khalek, 2020-11-09 Measurement is an important concern for the progress of psychology both as a basic science and as a field of application The development of psychological research and practice would not be possible without sound assessment and measuring procedures This book presents a collection of personality and psychopathology scales developed originally in Arabic and translated into English since self reports and questionnaires play a prominent role in psychological research and practice as they are simple and cost less than other methods of assessment Furthermore these scales are suitable in surveys and epidemiological studies with large samples This book will be useful in different disciplines such as psychology psychiatry epidemiology gerontology social work and social sciences Bibliographic Guide to
