Psychology Myers In Modules:

Psychology in Modules Student Myers, **Psychology in Modules** C. Nathan DeWall, David G. Myers, 2015-01-12 In this version of Psychology 11th Edition David Myers and Nathan DeWall break down the new edition's 16 chapters into 53 modules assignable in any sequence and brief enough to be read in one sitting. It's a format favoured by a wide range of students and instructors, one that's supported by substantial research showing that students working with shorter reading assignments develop a deeper understanding of the material. The book can be purchased with the breakthrough online resource LaunchPad which offers innovative media content curated and organised for easy assignability. LaunchPad's intuitive interface presents quizzing, flashcards, animations and much more to make learning actively engaging. **Myers in Modules** David G. Myers, PhD, Myers, 2000-12 Myers in Modules is available saleable in two different versions. A sturdier spiralbound with a cloth front and back cover. A hardcover traditionally bound text. From his experience as both an author and teacher, David Myers has concluded that students digest material more easily when it is presented in smaller chunks. As students whether they would prefer a 700 page book to be organized as 14 50 page chapters or as 50 14 page chapters and their answers will approach a consensus. They prefer shorter chapters. Acting upon this belief, Myers has created a modular version of his bestselling introductory text. Psychology Myers in Modules breaks down the 18 chapters of Psychology Sixth Edition into 55 short chapters or modules. Featuring the latest research and teaching innovations, Myers's new text reflects the author's continuing drive to discover the most effective way to communicate psychology's major ideas to an uninitiated audience. **Exploring Psychology** David G.
